Note.—The maximum and minimum rates of wages cannot be stated. The average rates of wages were obtained from returns furnished by proprietors of factories under the Factories Act.

(a) The actual time worked during 1900 did not average more than 32 hours per week. For 1901 the rates of pay given were those ruling for work actually done. It is stated, in the original returns, that it does not follow that the miners were able to secure regular employment at the above rates. The Union rules fix 43½ hours as the maximum working hours for miners.

TOTAL AMOUNT OF DUTIES RECEIVED ON ALL ARTICLES IMPORTED AND IN TRANSIT	—	764,194	—	30,477

Note.—There are no Export Duties levied in Natal.

(a) Natal entered the South African Customs Union on 3rd January, 1899. The other Colonies, &c., constituting the South African Customs Union in 1901 were the Cape of Good Hope, the Orange Free State (now Orange River Colony), British Bechuanaland, Basutoland, and the Bechuanaland Protectorate. A rebate of duties was allowed on goods entered for removal overland to any colony, state, or territory outside the South African Customs Union.

All raw produce of South Africa imported overland and all articles grown, produced, or manufactured within the Customs Union, were free of duty, with the exception of spirits. The duty imposed upon such spirits was the same as the excise duty leviable on spirits, unless a like duty of not less amount had been paid elsewhere in the Customs Union. Should a less amount have been paid, a duty equal to the difference was leviable.

Flour and meal manufactured from other than South African wheat and intended for consumption in the Colony, was free of duty. Flour, not manufactured from South African wheat, imported into and removed from the colony to any other colony, state, or territory in the Union was subject to duty at the rate of 4s. 6d. per 100 lbs.

(b) Paper for Newspaper and Book printing, Free.

(c) Tobacco, the produce of South Africa, imported overland, also materials for sheep dip, Free.

(d) And 7½% in addition on all wines when imported otherwise than by the wood. Wine exceeding 50% of proof spirit to be classed as spirit.

(a) All raw produce of South Africa imported overland, and all articles grown, produced, or manufactured within the Customs Union, Free; except Spirits, and Flour made from other than South African wheat. The duty imposed upon such Spirits was the same as the excise duty leviable in the Cape Colony on Spirits, unless a like duty of not less amount had been paid elsewhere in the Customs Union. Should a less amount have been paid, a duty equal to the difference was leviable.

A rebate of duty was allowed on goods entered for removal overland to any Colony, State, or Territory outside the South African Customs Union. By an agreement entered into on 20th July, 1899, between the Cape Government and the British South Africa Company, the duties on goods *in transit* to Southern Rhodesia were, in cases where the duties were the same as under the South African Customs Union Tariff, collected by the Cape Government until the termination of the agreement on April 15th, 1901, and, in lieu of rebate, 85 % of the amount collected was, under Act 4 of 1899, paid over to the Government of Southern Rhodesia.

The South African Customs Union constituted, in 1901, the Cape of Good Hope, Basutoland, the Bechuanaland Protectorate, and Natal. The Customs Union Tariff was also in operation in the Orange River Colony.

(b) Potash and Soda (carbonate, bicarbonate, caustic, crystals, and silicate), Carbonate of Ammonia and Flowers of Sulphur, Free.
