Not stated.

Note.—The maximum and minimum rates of wages cannot be stated. The average rates of wages were obtained from returns furnished by proprietors of factories under the Factories Act.

(a) The actual time worked during 1900 did not average more than 32 hours per week. For 1901 and 1902 the rates of pay given were those ruling for work actually done. It is stated that it does not follow that the miners were able to secure regular employment at the above rates. The Union rules fix 43½ hours as the maximum working hours for miners.

(b) The rate for 1902 is inclusive of 5s. per week allowance for a bicycle.

(c) Working 7 days per week.

(d) Board and lodging, or rations, were provided in addition to the rates quoted.

Note.—There are no Export Duties levied in Natal.

(a) Natal entered the South African Customs Union on 3rd January, 1899. The other Colonies, &c., constituting the South African Customs Union in 1902 were the Cape of Good Hope, British Bechuanaland, Basutoland, and the Bechuanaland Protectorate. The South African Customs Union tariff was also in operation in the Orange River Colony. Transvaal and Southern Rhodesia did not enter the South African Customs Union until August 15th, 1903.

A rebate of duty was allowed, during 1902, on goods entered for removal overland to any Colony, State, or Territory outside the South African Customs Union. Transit rates were abolished from April 24th, 1903.

All raw produce of South Africa imported overland and all articles grown, produced, or manufactured within the Customs Union, were free of duty, with the exception of spirits. The duty imposed upon such spirits was the same as the excise duty leviable in Natal on spirits, unless a like duty of not less amount had been paid elsewhere in the Customs Union. Should a less amount have been paid, a duty equal to the difference was leviable.

Flour and meal manufactured from other than South African wheat and intended for consumption in the Colony, was free of duty. Flour, not manufactured from South African wheat, imported into and removed from the colony to any other colony, state, or territory in the Union was subject to duty at the rate of 4s. 6d. *per 100 lbs.*

(b) Paper for Newspaper and Book printing, Free.

(c) Tobacco, the produce of South Africa, imported overland, also materials for sheep dip, Free.

(d) And 7½% *ad val.* in addition on all wines when imported otherwise than in the wood. Wine exceeding 50% of proof spirit to be classed as spirit.

(e) Wood, unmanufactured, including planed, tongued or grooved, plain boards unshaped, free from 1st November.

(a) All raw produce of South Africa imported overland, and all articles grown, produced, or manufactured within the Customs Union, Free ; except Spirits, and Flour made from other than South African wheat. The duty imposed upon such Spirits was the same as the excise duty leviable in the Cape Colony on Spirits, unless a like duty of not less amount had been paid elsewhere in the Customs Union. Should a less amount have been paid, a duty equal to the difference was leviable.

A rebate of duty was allowed on goods entered for removal overland to any Colony, State, or Territory outside the South African Customs Union. The transit rate was a uniform one of 3% ad val during 1902, except as regards a few articles, the details for which are given in the Natal Table, No. 21, pp. 418-420. Transit rates were abolished from April 24th, 1903.

The countries constituting the South African Customs Union, in 1902, were the Cape of Good Hope, Basutoland, the Bechuanaland Potestorate, and Natal. The S.A. Customs Union Tariff was also in operation in the Orange River Colony. Transvaal and S. Rhodesia did not enter the South African Customs Union until August 15th, 1903.

(b) Potash and Soda (carbonate, bicarbonate, caustic, crystals, and silicate), Carbonate of Ammonia and Flowers of Sulphur, Free.

Note.—For further information as to the principal products of the Newfoundland Fisheries *exported* during the year ended 30th June, 1903, see Table No. 14.

As regards the Cod-fishery, it is stated in the Report of the Department of Fisheries for 1903 that "the Bank Fishery in Newfoundland—carried on by Americans, Canadians, Frenchmen, and Newfoundlanders—has this season been very poor and unremunerative to the owners of fishing craft. The reason for this decline may be, in some measure, attributed to a scarcity of fish on the banks, but the main cause of the failure was the remarkable scarcity of bait, especially squid, on the south and west coasts."

No. 7.—CUSTOMS TARIFF.—The rates of duty on goods imported into Northern Nigeria were made uniform from 8th March, 1902 (under Proclamation No. 3 of 1902), with those in force in Southern Nigeria in 1902, for which see Table No. 12, p. 862.

Goods may be imported free of duty into Northern Nigeria on which Duties of Customs have already been paid in the Colony and Protectorate of Lagos or Southern Nigeria, but should a less rate of duty have been paid than that imposed by the Northern Nigeria Tariff, the difference of duty is leviable on importation into Northern Nigeria.

All articles, animal, vegetable, or mineral, that are natural products of the Colony and Protectorate of Lagos or Southern Nigeria may be imported into Northern Nigeria free of duty.
