STATEMENT showing the BASES of the STATISTICAL VALUES adopted  
BRITISH COLONIES, POSSESSIONS,

[Compiled from information received]

COLONIES, &c.	STATISTICAL VALUES ADOPTED IN	
	IMPORTS.	
STRAITS SETTLEMENTS ... ..	<p>The values given by European importers represent the invoice value of the goods, inclusive of insurance, freight, and value of packages (C.I.F.) at the port of despatch, but not any charges in the Straits Settlements. Native importers declare the price ruling in the Straits Settlements markets. [The cost of freight, insurance and packing are shown on the invoices, which are not inspected, except in case of obvious error.]</p>	
CEYLON ... ..	<p>The values given include the invoice value of the goods, freight, insurance, and value of packages (C.I.F.). When the charges for freight, &amp;c., are not known, an addition of 10 per cent. to the invoice values is made on ordinary cargo in lieu of composite charges; the addition is higher in the case of glassware, beads, &amp;c. (Sec. 42 of Ord. No. 17 of 1869.) Where no reliable values can be ascertained, as in the case of certain rated articles imported by Native traders, an average price is officially fixed for calculating the value of the goods. [The Ceylon Government states that the cost of freight, &amp;c., entered on approved invoices is accepted.]</p>	
MAURITIUS ... ..	<p>The values of the goods are those at the place of purchase, inclusive of insurance, freight, and value of packages (C.I.F.). When the cost of freight, &amp;c., is not shown on the invoices, a percentage is added to each description of goods for freight, &amp;c., which is calculated on information obtained from the mercantile community. [The Mauritian Government states there is no law in force dealing with valuations.]</p>	
SEYCHELLES ... ..	}	<p>The values of the goods are those at the place of purchase, exclusive of insurance, freight, and value of packages. The Seychelles Government add that the cost of freight, &amp;c., is not entered on the Customs Bills.</p>
LABUAN ... ..		
BRITISH NEW GUINEA ... ..		
HONG KONG ... ..	<p>No complete trade returns are published for this Colony.</p>	
AUSTRALIAN COMMONWEALTH ... ..	<p>The value of the goods imported represents the amount on which duty is payable, or would be payable, if the duty were <i>ad valorem</i>. The value of goods subject to duty is taken to be the "fair market value" in the usual ordinary commercial acceptance of the term, in the principal markets of the country whence the same were exported, free on board (F.O.B.) at the port of export in such country, with an addition of 10 per cent. on such market value. (Act 6 of 1901.) The Commonwealth Government state that the "value for duty" is the value taken for statistical purposes, which includes:— (a) Market value at place of manufacture, less trade discounts. (b) Inland freight (if any) to port of shipment. (c) 10 per cent. statutory addition. The following are not specifically included: (a) Outer cases. (b) Stamp duty. (c) Bill of lading and dock dues. (d) Commission (buying). (e) Insurance. (f) Sea freight to Australia, but the 10 per cent. addition is taken to cover all charges to landing in Australia.</p>	
NEW ZEALAND ... ..	<p>Goods subject to <i>ad valorem</i> rates of duty are taken at their invoice value, increased by 10 per cent., and the value of case, cask, or covering is included. The value of all other goods includes freight and charges (C.I.F.) to time of arrival at port of discharge. (Sec. 39 of Customs Laws Consolidation Act, 1882.) [The New Zealand Government states that the cost of freight, &amp;c., is usually accepted as stated on the invoice, but if any doubt arises these charges are verified by the Customs Officers by reference to the ship's agents or to other importers.]</p>	
FIJI ... ..	<p>The invoice value of the goods only is given, without any charges for freight, &amp;c., whatever. (Sec. 1 of Ord. 2 of 1898.) Packages are not included in the value. (Sec. 2 of Ord. 7 of 1903.)</p>	
FALKLAND ISLANDS ... ..	<p>The values of the goods are those at the place of purchase, inclusive of insurance, freight, and value of packages (C.I.F.). [The Falkland Islands Government states that there is no uniform practice of ascertaining the cost of the freight, &amp;c. In some cases it is included in the invoice values, and in others it appears as a separate item on the bill of entry.]</p>

EXPORTS.	
The value of the goods is the "market price" in the Straits Settlements, exclusive of shipping charges, as declared by exporters.	STRAITS SETTLEMENTS.
The values declared by the exporters are accepted by the Customs Authorities (except in the case of cocoa, coffee, cinchona bark, coir, cocoanut oil, cinnamon, plumbago, tea, and horns of deer and sambur, the values of which are ascertained annually from the Ceylon Chamber of Commerce). (Sec. 51 of Ord. 17 of 1869.)	CEYLON.

The values are as declared by exporters, "free on board" (F.O.B.) at port of shipment.	SEYHELLES. LABUAN. BRITISH NEW GUINEA.
No complete trade returns are published for this Colony.	HONG KONG.
The value of goods exported is the value in the principal markets of the Commonwealth in the usual and ordinary commercial acceptation of the term.	AUSTRALIAN COMMONWEALTH.
The "free on board" (F.O.B.) value is given as obtained from Customs Entries. [The New Zealand Government states that the Collector of Customs examines the values given for the chief articles, and compares them with current price lists to prevent any over-estimate. As a further safeguard, the values of wool, frozen meat, oats, wheat, tallow, phormium fibre, butter and cheese are submitted to the various Chambers of Commerce for approval before publication.]	NEW ZEALAND.
The value of the goods "free on board" (F.O.B.) at the port of shipment is given, including cost of packages. (Sec. 32 of Ord. 1 of 1895.)	FIJI.

Insurance and freight are <i>not included</i> , nor is Agent's commission, unless it exceeds 5 per cent. (Sec. 62 of Act 13 of 1899, as amended by sec. 2 (d) of Act 9 of 1906.) [The Natal Government states that when the suppliers' or manufacturers' invoices do not show the cost of packing, the packer's invoice is always demanded and produced.]	
CAPE OF GOOD HOPE ...	Same as Natal. (Sec. 13 of Act 1 of 1906.) [The Cape Government states that with regard to the practice followed of ascertaining the <i>cost</i> of the packages added to the invoice values, particulars are kept of the various prices of packages imported, and any departure from these values would lead to enquiries being made.]	
ORANGE RIVER COLONY ... ..	Same as Natal. (Sec. 4 (6) of Ord. 14 of 1906.) [The Orange River Colony Government states that the <i>cost</i> of freight, &c., is estimated at 33½ per cent., and this percentage should be added to the invoice value to arrive at the total value of goods imported.]	
BASUTOLAND ... ..	Same as Natal. (Sec. 9 of Proc. 8 of 1906.)	
BECHUANALAND PROTECTORATE ...	" (Sec. 9 of Proc. 9 of 1906.) [The Protectorate Authorities state that, with regard to the practice followed of ascertaining the <i>cost</i> of the packages, practical experience enables Customs Officers at the Cape Colony Coast Ports, where practically all goods are imported, to determine if the correct cost of packages has been included.]	
TRANSVAAL .. ...	Same as Natal. (Sec. 8 of Ord. 4 of 1906.)	
RHODESIA ... ..	" " (S. Rhodesia, Sec. 14 of Ord. 6 of 1906. N.W. Rhodesia, Sec. 19 of Proc. 17 of 1906.)

UGANDA PROTECTORATE ... ..	The values given include the invoice value of the goods at the place of purchase, insurance, freight, and value of packages (C.I.F.). (Ord. 7 of 1904.) [The Uganda Government states that, as regards this Protectorate, articles (such as ivory and rubber) for which the values at the place of purchase are not always ascertainable, a uniform value is fixed by the Chief of Customs throughout the Protectorate. In the case of other imports, the declarations of the importers are accepted.]	
BRITISH EAST AFRICA PROTECTORATE.	Same as the Uganda Protectorate. (Sec. 9 of Reg. of 1899.) [The Protectorate Government states that the practice followed in ascertaining the <i>cost</i> of freight, &c., is to add 10 per cent. to 80 per cent. according to the nature of the goods, to the prime cost of the merchandise (less trade discounts).]	
SOMALILAND PROTECTORATE ...	Same as the Uganda Protectorate. (Sec. 14 of Reg. No. 2 of 1902.) SIERRA LEONE ... ..	Same as the Uganda Protectorate (Ord. 12 of 1902). [The Sierra Leone Government states that in cases where the cost of freight, &c., is not given on the invoices, a percentage is added to the net invoice value of the goods at the port of shipment. This percentage is based on monthly averages obtained from such charges as are shown on perfect bills of entry for similar goods.]

GAMBIA ... ..	The values given include the invoice value of the goods at the place of purchase, insurance, freight and value of packages (C.I.F.). [The Gambia Government state that there is no special Ordinance regulating the valuation of goods in the Colony. The <i>cost</i> of freight, insurance, &c., is ascertained from invoices and other documents produced by merchants at the time of the entry of the goods; these charges are distributed to the various classes of goods in proportion to their quantities, values, &c. In cases where invoices are not produced, an average amount of the freight payable is made upon a reasonable basis.]

ST. VINCENT ... ..	Same as Bahamas. [The St. Vincent Government states that the <i>cost</i> of freight, &c., is ascertained by taking a percentage of the invoice values of the goods imported. This percentage has been arrived at by taking various articles (not necessarily every article imported, but by classes) and computing the percentages which C.I.F. represent, and using the percentages in dealing with articles of that class. Occasionally circumstances—such as change in place of origin—make it necessary to calculate revised percentages].	
BARBADOS ... ..	Same as Bahamas. [The Barbados Government states that the practice followed to ascertain the <i>cost</i> of freight, &c., is to send circulars of enquiry to various importers, who furnish a statement of the average percentage to cover the cost of such freight, &c., which is added to the invoice values of goods imported.]	
GRENADA ... ..	Same as Bahamas. [The Grenada Government states that a percentage, which varies according to the description of the goods, is added to the invoice values to represent freight, insurance, and cost of packages.

The Straits Settlements silver dollar is, by a Proclamation of October 5th, 1903, issued under the Straits Settlements (Coinage) Order-in-Council of June 25th, 1903, the standard coin of the Colony, but the Mexican dollar was treated, under the same Order-in-Council, as its equivalent.

The British and Hong Kong dollars were also treated as the equivalent of the Standard coin under an Order in Council of February 2nd, 1895.

Under notice of August 24th, 1904, Mexican, British and Hong Kong dollars ceased to be legal tender from August 31st, 1904.

(a) In the Return of Imports and Exports of the Straits Settlements for the year 1904 it is stated that "Imports represent goods sent to the different Settlements for consumption and distribution, but do not include goods sent to other countries *via* Singapore and Penang, either when transhipped direct or stored till the arrival of an outgoing vessel.

"In the majority of cases as regards Imports, the country shown is that of production, but the first port of shipment is as a rule declared, and Switzerland, for instance, which has no seaboard, consequently, does not appear in the returns.

"Produce is frequently shipped to Europe on optional bills of lading, and as in such cases the first port stated is credited with the trade, both, for Imports and Exports, a fairer comparison is obtained when the Continent of Europe is treated as a whole."

(a) The telegraph subsidy to the Eastern and South African Telegraph Company, Ltd., amounts to 8,000l. per annum payable for 20 years from November 23rd, 1893. Of this sum, Seychelles contributes 1,000l. and Mauritius 7,000l. annually.  
The mail subsidy was granted to the Messageries Maritimes Company from August 8th, 1901, at the rate of 2,000 francs per call. The mail steamers, which carry the mails to and from Seychelles on a monthly service on their way to and from Marseilles and Mauritius, are exempt from all port dues or local taxes.  
It is stated in the Report on the Seychelles Blue Book for 1904 that the mail service "is not under contract, and may be terminated at will and without notice." In 1904 the service was suspended on six occasions, owing to labour disputes at the Port of Marseilles.

Note.—The above figures are exclusive of the area and population of land leased on the Kowloon Peninsula to the British Government in 1898. The area is about 35½ square miles, and the population was estimated to number 102,254 persons in 1901.

A portion of this territory, known as New Kowloon, was placed under the jurisdiction of the Hong Kong Sanitary Board in 1904, and its population (estimated to be 20,000) is included in the figures given for 1904.

(a) As revised by the Hong Kong Government in 1905.

Note.—It is stated in the Report on the Hong Kong Blue Book for 1904 that "the excess of deaths over births is explained by the fact that thousands of Chinese families are represented in Hong Kong by men only, there being a very large floating population of adult males. It should also be added that a large proportion of births among the Chinese remains unregistered."

Notes.—The maximum and minimum rates of wages cannot be stated. The average rates of wages were obtained from returns furnished by proprietors of factories under the Factories Act.

It is stated in the "Industrial Wages" part of the New South Wales Statistical Register for 1904 that previous to the year 1903 the returns were confined to the Metropolitan District, in 1903 the statement includes the districts of Newcastle and Broken Hill; while in 1904 the district of Hartley was added to the area covered by the particulars. The returns under the Act are collected for the last week in the month of November.

See also the next Table for the Rates of Wages paid for Miscellaneous Descriptions of Labour.

Note.—For rates of wages paid for other descriptions of Labour, see the previous Table.

(a) The rates of pay given were those ruling for work actually done. It is stated that it does not follow that the miners were able to secure regular employment at the above rates. The Union rules fix 43½ hours as the maximum working hours for miners.

(b) The rate for 1902 is inclusive of 5s. per week allowance for a bicycle. Similar particulars for the Years 1903 and 1904 are not stated.

(c) Working 7 days per week.

(d) Board and lodging, or rations, were provided in addition to the rates quoted.

Note.—It is stated in the original returns that, in the cases of crops belonging to Europeans, the particulars are not always complete as regards production for the acreage given. The crops of 1902-3 were seriously affected by the drought, and it is stated that the aphid in some districts totally destroyed the Kafir corn crop.

- (a) The acreage of the various crops sown cannot be stated.
- (b) One muid = 3 imperial bushels.
- (c) The production of the oat-hay was 4,484 tons in 1902, and 7,601 tons (including millet-hay) in 1903. The quantity produced in 1904 cannot be stated.
- (d) Exclusive of 704 acres of sugar-cane grown for fodder.
- (e) Value of fruit sold, canned, preserved or made into jams and jellies.

The destinations of the *exports* from the Colony cannot be stated.

(a) "Local Purchase" represents imported articles purchased at the Coast Ports, and it is stated in the original returns that, as regards Countries of origin, such imports are approximately in the same proportion as direct importations. It would follow that in 1902 and 1903, goods purchased locally may be taken to have been imported originally from the United Kingdom, British Possessions, and Foreign Countries in much the same proportions as for the direct imports from those countries in each of the years specified above.

(d) The limits of North-Eastern and North-Western Rhodesia were originally defined by Orders in Council promulgated on 31st May, 1900, and 18th September, 1900, respectively.

It is stated in the "Directors' Report and Accounts" for 1903-4 that a new boundary between North-Eastern and North-Western Rhodesia was fixed, with effect from September 29th, 1905. The effect of the alteration was to transfer a considerable area to North-Western Rhodesia, but this area was revised by the award of the King of Italy, as Arbitrator, in the settlement of the Barotse boundary.

EXPORT DUTIES.—See the next page.

Notes.—Arms and ammunition may not be imported, except by licence from the Commissioner for the purposes of sport or personal protection.

The importation of spirituous liquors into the inland regions of the Protectorate is restricted.

(a) Under the "Uniforms Proclamation" (No. 16 of 1903), dated May 30th, 1903, the importation into the Protectorate of uniforms for sale is prohibited. The importation of "Fuzzes" was, however, temporarily allowed to 31st December, 1904.

(b) No folded woven goods (except silks, silk velvets, tweeds, handkerchiefs, broad cloth and worsted cloth, Indian bafts, cashmere sages, alpaca, selicia, linen drills, cotton drills, khaki drills, tabourettes, gold and silver cloths, tinsel woven cloths, damasks, and flannels) may be imported unless the same is folded in folds of not less than 36 inches in length, and each piece marked with the number of yards and inches (if any) contained therein.

(c) It is provided by Proclamation No. 17 of 1902, that no person, other than the holder of a general or wholesale licence, may import spirits into the Protectorate.

(d) No allowance for underproof.

(e) Goods may be imported from the Colony of Southern Nigeria (Lagos) or the Protectorate of Northern Nigeria free of duty.

A drawback of 95% of the duty paid is allowed on dutiable goods on which duty has been paid when re-exported, and a fee, not exceeding 5% of the duty payable, may be charged on dutiable goods on which no duty has been paid, when transhipped or re-exported to places outside the Protectorate.

EXPORT DUTIES.—Under Rule No. 14 of 1903, issued under the "Forestry Proclamation, 1901," the following duties were levied upon timber cut on concessions and exported:—

Upon Ebony for every log or billet	...	...	...	6d.
Upon Mahogany, Walnut or Cedar, for each log	...	...	...	18s.
Upon other timber, for each log	...	...	...	5s.

These duties were repealed by Rule No. 6 of 1905, which came into operation on 10th August, 1905, and in lieu thereof imposed a scale of fees to include export duties, royalties, and inspection fees on timber felled. The amount of duty collected cannot be stated.

(a) It is stated in the original canal statistics for 1903 that "for the seasons of navigation of 1903 and 1904, all canals were declared free" (under Orders in Council of April 27th and May 19th 1903), consequently no tolls were collected for those years. The statistics, as compiled, show the revenue as it would appear if tolls had been collected.

For all articles, except gold, tin and tin ore, in respect of which the duty is assessed on an *ad val.* basis, the value of the article is taken at the average market price at Penang from the 16th of one month to the 15th of the next month, with a deduction of 25 cts. *per Pikul* for freight and charges on exportation.  
(a) The duty on "parohment" coffee is calculated on ⅓rds of the gross weight, and on "dry cherry," on ⅓rd of the gross weight. Parohment coffee is the bean with the cherry removed, but with the parchment-like inner covering dried on the bean. If this inner covering is removed, the bean is said to be "cleaned."  
(b) The duty on salted and dried fish may be commuted for a monthly payment of 30 cts. in respect of each person employed in fishing, or \$1 40 cts. for each Pukat Lengkong or "seino net."  
(c) Calculated at the rate of £4 sterling per oz. subject to a rebate of the amount, if any, whereby the duty so paid on any gold exceeds 5% or 2½% from September 15th, 1904, of the value of the said gold as declared in a written certificate from such bank or other authority as the Resident may approve.
