

NILS - UNIBEN POST GRADUATE PROGRAMME  
MLD/MLS 1st Semester Examination – 2015  
GLC 800 – Nigeria: Economy, State and Society.

Instruction: Answer four questions, two questions from Section A and two from Section B. All questions carry equal marks.

Section A

\*Answer Any 2 Questions from this Section

1. Explain the idea of the economy of a country. Show why a citizen should worry about the state of the economy of his/her country.
2. Briefly explain the nature, causes and possible solutions of **any two** of the following problems of the Nigerian economy:
  - Unemployment
  - Poverty
  - Economic Inequalities
  - External Dependence
3. Why do some commentators on public affairs say that the Government should not get involved in the economy? Based on the experience of Nigeria, what would be your response to the argument?

Section B

\*\*Answer any two Questions from this Section

4. What is a **State**? Utilize any theory of the **state** known to you to justify the emergence of Nigeria as a political entity.
5. Identify the five basic social institutions in human society and explain their interdependence. Cite appropriate examples from the Nigerian society to support your answer
6. Write briefly to explain **any three** of the following causes of social change in the human society:
  - a. Population Growth
  - b. Culture and Technology
  - c. War and Protest
  - d. Natural Disaster
