8. No animal or bird shall be allowed on premises used as a bakehouse.

Bakehouse not to be used for sleeping.

9. No room used as a bakehouse shall be used as a sleeping apartment.

Sanitary arrangements.

10. The sanitary arrangements and conveniences on all premises used as a bakehouse shall be to the satisfaction of a Health Officer. Ventilation shall be adequate to the satisfaction of the Health Officer. The windows and doors shall be fly-proof with wire-gauze, and the doors made to open outwards with door springs for automatic closing.

Water from approved source.

11. No water shall be used on any premises used as a bakehouse except that obtained from a source approved by the Health Officer.

Flour and water to be covered.

12. All flour and water used in or in connection with the bakehouse shall be kept adequately covered and all pans, moulds and other utensils shall be maintained and kept clean to the satisfaction of the Health Officer.

Vermin to be kept down.

13. Measures, to the satisfaction of the Health Officer, shall be taken by the owners or occupiers of premises used as a bakehouse to keep down vermin.

Sick persons to be kept out.

14. The Health Officer may prohibit any person suffering from any disease or ailment from entering or remaining on any premises used as a bakehouse should he for sanitary reasons deem it necessary.

Employees to wear white overalls.

15. All bakehouse employees shall wear white overalls while on duty and each employee shall be provided with at least two such overalls.

16. A wash hand basin or basins with clean water, towels and soap shall be provided in the premises of every bakehouse at all times for workers.

Wash-hand basin, etc., for workers.

17. If the Health Officer shall consider that any premises used as a bakehouse, should in the interests of the public health, be closed, he may by notice in writing prohibit the owner or occupier from using such premises as a bakehouse until such time as such prohibition shall be withdrawn. A copy of such notice shall be sent to the Council.

Bakehouse may be closed for health reasons.

18. Any person who contravenes or fails to comply with any of the provisions of these bye-laws shall be liable, on conviction, to a fine not exceeding five pounds, or in default of payment, to imprisonment not exceeding one month.

Penalty.

19. The penalties imposed under the provisions of these bye-laws shall be imposed in a Native Court or a Customary Court or a Magistrate's Court.

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955).

INSTRUMENT AMENDING THE INSTRUMENT ESTABLISHING
THE IZI DISTRICT COUNCIL

(Date of Commencement: 1st November, 1959)

In exercise of the powers conferred upon the Minister of Local Government by sections 7 and 8 of the Eastern Region Local Government Law, 1955, the Instrument establishing the Izi District Council, which is published as E.R.L.N. No. 223 of 1956 is hereby amended:—

1. By deleting paragraphs 4, 5, 6, 7, 8, 10 and 11 thereof and substituting the following new paragraphs 4, 5, 6, 7 and 8 therefor:—

“Constitution. 4. The Council shall consist of twenty-six elected members as specified in paragraph 5.

Wards. (Schedule). 5. (1) The twenty-six elected councillors shall be elected by electors from the twenty-six wards mentioned in the Schedule hereto.

(2) Not more than one councillor shall be elected by electors from each ward.

Method of election. (E.R.L.N. No. 190 of 1955). 6. The method of election of councillors shall be in accordance with the provisions of the Local Government (Elections) Regulations, 1955 and the elections shall be Type C or in accordance with any regulations amending or replacing the same.

Election of Chairman. 7. The election of a Chairman shall be the first business transacted at the first meeting of the Council, and thereafter the election of a Chairman shall be the first business transacted at the annual meeting of the Council.

Dates for next election. 8. The next election of the Council shall be held between the 2nd January and the 25th March, 1960.”

2. By renumbering paragraphs 12 and 13 to read 10 and 11.
3. By substituting the following Schedule for the Schedule thereof:—

AND WHEREAS the Governor in Council has given his approval:

NOW, THEREFORE, in exercise of powers conferred on the Minister by section 3 of the Eastern Region Local Government Law, 1955 (hereinafter called "the Law") the Local Councils (hereinafter called "the Councils") set out in the first column of the Schedule hereto shall be established within the area of the administrative division of Abak on the 1st day of October, 1958.

Establishment of Local Councils. (Schedule).

AND NOW THEREFORE, in exercise of powers conferred on the Minister by subsection (5) of section 230 of the Law, the Instrument establishing the Local Councils in Abak Division (which is published as E.R.L.N. No. 56 of 1954) is hereby revoked in the area of the Council with effect from the 1st day of October, 1958.

Revocation of E.R.L.N. No. 56 of 1954.

2. The Common Seals of the Councils shall be as set out in the second column of the Schedule.

Seals.

3. The area of the authority of the Councils shall be the area of the villages in the third column of the Schedule, set out opposite to the Councils mentioned in the first column of the Schedule.

Area of authority.

4. The Councils shall consist of the number of councillors set out in the fourth column of the Schedule opposite to the Councils mentioned in the first column of the Schedule.

Constitution.

5. The councillors to be elected shall be elected in accordance with the provisions of the Local Government (Elections) Regulations, 1955. The method of election shall be Type C. One councillor shall be elected from each ward described in the fifth column of the Schedule and numbered serially in the sixth column of the Schedule, to the Councils described in the first column of the Schedule opposite.

Elections. (E.R.L.N. No. 190 of 1955).

6. The first election of the Councils shall be held between the 1st August and the 30th September, 1958.

Dates for first election.

Election of
Chairman.

7. The election of a Chairman shall be the first business transacted at the first meeting of each Council, and thereafter the election of a Chairman shall be the first business transacted at the annual meeting of each Council.

Functions.

8. The Councils—

(i) may perform all or any of the functions contained in paragraphs (4), (10), (18), (33), (40), (48), (66) and (83) of section 80 of the Law;

(ii) may perform all or any of the functions contained in paragraphs (30), (31) and (32) of section 80 of the Law:

Provided that no market which is maintained by a District Council shall be subject to their jurisdiction;

(iii) may build, equip and maintain or grant sums of money towards the establishment, equipment or maintenance of any asylum or settlement for lepers in accordance with paragraph (34) of section 80 of the Law;

(iv) may make, alter and divert village roads, cycle tracks, paths, culverts, bridges, drains and water courses in accordance with paragraph (61) of section 80 of the Law;

(v) may regulate or prohibit the planting, cutting, tapping or destruction of any trees or vegetation growing along any village road, cycle track or path in any public place, in accordance with paragraph (68) of section 80 of the Law;

(vi) may provide that the owner or occupier of any land or tenements shall maintain, clear and keep free from vegetation the village roads, cycle tracks or paths adjoining their land or tenements in accordance with paragraph (69) of section 80 of the Law;

(vii) may establish, control and manage village recreation grounds, open spaces and parks in accordance with the provisions of paragraph (78) of section 80 of the Law; and

(viii) may raise money by precept for and spend money on any subject which is within the powers of Local Councils as set out in the Law, or any other written law and which is approved by the Minister as being of a communal nature.

MADE by the Minister at Enugu this 24th day of September, 1958.

P. O. NWOGA
Minister of Local Government

E.R.L.N. No. 295 of 1959

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)

INSTRUMENT ESTABLISHING LOCAL COUNCILS
WITHIN THE AREA OF THE ADMINISTRATIVE
DIVISION OF AWGU

(No. 2)

(Date of Commencement: 1st September, 1959)

WHEREAS the Minister has consulted the wishes of the inhabitants of the area concerned:

AND WHEREAS the Governor in Council has given his approval:

NOW, THEREFORE, in exercise of powers conferred on the Minister by section 3 of the Eastern Region Local Government Law, 1955 (hereinafter called "the Law") the Local Councils (hereinafter called "the Councils") set out in the first column of the Schedule hereto shall be established within the area of the administrative division of Awgu on the 1st day of September, 1959.

Establishment of Local Councils. (Schedule).

2. The Common Seals of the Councils shall be as set out in the second column of the Schedule.

Seals.

3. The area of the authority of the Councils shall be the area of the villages in the third column of the Schedule, set out opposite to the Councils mentioned in the first column of the Schedule.

Area of authority.

4. (1) Until the 31st of March, 1960 each councillor who was a member of Achi or Awlaw Local Council on the 31st day of August, 1959 is hereby appointed to be a member of the Local Council in the first column of the Schedule which contains the ward for which he was elected.

Constitution.

(2) Thereafter the Councils shall consist of the number of elected councillors set out in the fourth column of the Schedule opposite to the Councils mentioned in the first column of the Schedule.

5. The councillors to be elected shall be elected in accordance with the provisions of the Local Government (Elections) Regulations, 1955. The method of election shall be Type C. One councillor shall be elected from each ward described in the fifth column of the Schedule, and numbered serially in the sixth column of the Schedule to the Councils described in the first column of the Schedule opposite.

Elections. (E.R.L.N. No. 190 of 1955).

6. The first election of the Councils shall be held between the 2nd January and the 25th March, 1960.

Dates for first election.

7. The election of a Chairman shall be the first business transacted at the first meeting of each Council, and thereafter the election of a Chairman shall be the first business transacted at the annual meeting of each Council.

Election of Chairman.

Functions.

8. The Councils:—

- (i) may perform all or any of the functions contained in paragraphs (4), (10), (18), (33), (40), (48), (66) and (83) of section 80 of the Law;
- (ii) may perform all or any of the functions contained in paragraphs (30), (31) and (32) of section 80 of the Law:
Provided that no market which is maintained by a District Council shall be subject to their jurisdiction;

PUBLIC NOTICE

*The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)*

THE OWERRI URBAN DISTRICT COUNCIL (BUILDING)
BYE-LAWS, 1959

(Date of Commencement: 1st October, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955, the following bye-laws have been made by the Owerri Urban District Council.

Citation application and commencement.

1. (1) These bye-laws may be cited as the Owerri Urban District Council (Building) Bye-laws, 1959 and shall come into operation on a day to be fixed by the Minister of Local Government.

(2) These bye-laws shall apply to all buildings in the area known as Owerri Urban District Council area.

(3) For the purposes of this paragraph "permanent building" means a flat-roofed building or a building erected or intended to be erected with a roof of corrugated iron sheets or trefoil tiles the walls of which are made of cement blocks or of burnt or sun-dried bricks.

Definitions.

2. In these bye-laws, unless the context otherwise requires:—

"approved" means approved by the Council;

"building" means any structure whatsoever other than a pipeline;

"Building Inspector" means the principal official of the Works Department of the Council;

"Council" means the Owerri Urban District Council;

"create an obstruction" includes the erection or alteration of any building, the planting of any tree or crop;

"crop" includes trees having a trade or food value from their natural products and crops which require to be sown and gathered within a period of one year;

"dangerous building" means a building or anything attached to a building either of which is in such a state as to cause risk or injury either to the occupiers of such or of any neighbouring building or to the public;

"floors" follow the English system of ground floor, second floor, and so on;

"Health Officer" means a Medical Officer of Health or a person duly authorised by him for any purpose of these bye-laws;

"major public street" means the highway running through a location and by means of which the public have direct access to other locations or a District;

"minor public street" includes a street or road other than the major public street in a location;

"new building" includes:—

(a) the re-erection, wholly or partially, of any building pulled down to or below the top of the ground floor, or of any frame building of which only the framework is left down to or below the top of the ground floor;

- (b) the re-erection, wholly or partially, of any building of which an outer wall is pulled down to or within ten feet of the surface of the ground adjoining the lowest storey of the building, and of any frame building so far pulled down as to leave only the framework of the lowest storey or part of such framework;
- (c) the conversion into a dwelling-house of any building not originally constructed for human habitation, or the conversion into more than one dwelling-house of a building originally constructed as one dwelling-house only;
- (d) the re-conversion into a dwelling-house of any building which has been discontinued as, or appropriated for any purpose other than that of, a dwelling-house;
- (e) so far as regards only the addition or alteration, the making of any addition to an existing building by raising any part of the roofs, by constructing or altering a wall, or making any protection from the building, or making any other structural alteration to the buildings; or
- (f) the roofing or covering over of an open space between walls or a building;

“occupier” means the person in occupation of the tenement in respect of which the word is used or of any part of such tenement but does not include a lodger;

“owner” includes:—

- (i) the person for the time being receiving the rent of the tenement in connection with which the word is used, whether on his own account or as an agent or trustee for any other person; or
- (ii) if the tenement were left by the person holding it directly (whether by lease, licence or otherwise) from the Crown, who would have received the rent;

“plot” means plot of land;

“pulled down” means, in relation to a building, taken down or burnt down or by reason of decay or otherwise, fallen down;

“road” means any thoroughfare used by the public and any part thereof and includes a road under construction but does not include a footpath;

“single storied building” is a building with one floor only (i.e., ground floor);

“structural alteration” includes all works involved in the extension alteration or repair of a building.

3. (1) A person commits an offence who, without the approval in writing of the Council, erects or causes to be erected any new building.

New
buildings.

(2) Subject to the provision of paragraph (6), approval shall not be given until there is submitted to the Council:—

- (a) a plan (endorsed by the Health Officer as suitable for approval) of the proposed building, drawn in accordance with this bye-law;
- (b) a block plan showing the position of other buildings on the same and immediately adjoining plots;
- (c) a description in writing of the building materials and drainage; and
- (d) a treasury receipt of the Council for the payment by the applicant of the sum of fifty shillings.

(3) (a) A plan of the proposed building shall be drawn to a scale of not less than one-eighth of an inch to one foot and block plans to a scale of not less than one inch to fifty feet.

(b) The floor of the proposed building shall specify what rooms are intended for residential or non-residential purposes.

(4) All plans and descriptions, as required by this bye-law shall be—

(a) drawn or written in ink;

(b) to the satisfaction of the Council on durable material; and

(c) in triplicate.

(5) If approval is given, two copies, with the endorsement of the Council to that effect, shall be returned to the applicant.

(6) (a) In lieu of the requirements of paragraph (2), application may be made to the Council for permission to erect a type of house to be approved by the Council.

(b) A fee of one pound shall be paid for a copy of the plan of such approved type of house.

Restriction on size of buildings.

4. (1) Not more than one-third of the area of a residential plot and not more than two-thirds of the area of a non-residential plot shall be built upon.

(2) If eaves extend more than three feet beyond the outer surface of a wall, then for the purpose of this bye-law the area resulting from such extension shall be included in the area deemed to have been built upon.

Building lines.

(3) Building lines (hereinafter called "approved building lines") shall be five feet away from the property beacons adjoining any public street upon which a building may front, and fifty feet from the centre line of any major public street upon which a building may front; and twenty-five feet from the centre line of any minor public street upon which a building may front.

Obstruction of streets.

(4) No building shall be built in front of the approved building line and no portico, porch, verandah or other like structure shall project beyond the building line of any public street upon which a building may front:

Provided that the construction of steps and the planting of flowering shrubs may be permitted up to a maximum of two feet six inches away from any building line.

(5) A person commits an offence who, without the prior permission of the Council creates or causes to be created any obstruction within the space bounded by the building line on either side of any public street upon which a building may front:

Provided that the provisions of this paragraph shall not apply to buildings erected or to any trees or crops planted before the coming into operation of these bye-laws.

Removal of obstruction.

(6) Subject to the provisions of these bye-laws the Council may cause to be demolished and removed any building or part thereof or any obstruction of any nature and at any stage thereof, any of which have been built or created in contravention of these bye-laws.

(7) Any expenses incurred in the course of the exercise of the power conferred by this bye-law may be recovered by the Council as a civil debt from the person who created or is creating the obstruction.

5. (1) Every single storey building shall have a clear space free from any erection whatsoever of not less than five feet and every two storey building a clear space free from any erection whatsoever of not less than seven feet six inches between it and the boundary of the plot. In the case of any building of more than two storeys there shall be a clear space free from any erection whatsoever of not less than four feet for each storey between it and the boundary of the plot.

Clear spaces.

(2) There shall be a clear space free from any erection whatsoever of not less than ten feet between one building and any other building on the plot and in the case of a two or more storied building such space between it and any other building whether on the same or any adjoining plot shall be not less than fifteen feet.

(3) Balconies shall not project over the clear free spaces permitted by this bye-law.

6. (1) Where a space of five feet (which shall be the minimum space) exists between the side of a building and the boundary of the plot, the maximum projection of eaves at the side shall be two feet six inches.

Eaves.

(2) Where such space exceeds five feet, the maximum projection shall be three feet.

(3) The maximum projection at the front and rear of buildings shall be three feet:

Provided that in no case under this bye-law shall eaves be lower than seven feet from the ground level or lower than the level of the top of any windows.

7. (1) Unless the site has been by the Council approved for building purposes, no new building shall be erected on it.

Clearing of site.

(2) Such approval shall not be given unless, to the satisfaction of the Health Officer and Council, the site—

- (a) has been cleared and any offensive matter removed or destroyed;
- (b) levelled and drained; and
- (c) its limits, and the foundations of the building are, by means of pegs in the ground, clearly defined.

(3) A person commits an offence who, without the consent of the Council, interferes with those pegs.

(4) No drain shall be so laid or constructed for the purposes of a new building that when such building is erected the drain shall pass through or under it.

8. Where scaffolding, hoardings, centering or shoring are necessary, the builder shall provide the same in accordance with the following requirements:—

Scaffolding materials.

- (a) The scaffolding shall be of such structure and material as to ensure the safety and the protection of its users and of the public.
- (b) (i) All centering to arches and lintels shall be strongly constructed of sound timber with proper struts and folding wedges for stocking.
- (ii) Unless permission so to do has been obtained from the Building Inspector of the Council, no arches over six feet shall be constructed.

9. The materials allowed in the construction of walls are:

- (a) Wood.
- (b) Brick.
- (c) Stone.
- (d) Concrete or other materials specially approved by the Council.

10. (1) Foundations shall be of the minimum dimensions given in the following table:—

<i>Thickness of wall</i>	<i>Vertical Measurements of foundation from bottom of trench</i>	<i>Width of foundation</i>	<i>Minimum depth of top of foundation below ground</i>
<i>Inches</i>	<i>Inches</i>	<i>Inches</i>	<i>Inches</i>
4	6	10	12
6	9	12	12
9	12	18	15
12	12	24	18
13½	15	27	18
18	18	36	24

(2) Foundations for buildings shall be of cement concrete mixed in the proportions of six parts clean aggregate, three parts clean sharp sand and one part cement.

(3) No Foundation trenches shall be back-filled and no building shall be carried on beyond the damp proof level until it has been inspected by the Council and approval given in writing for the building to continue.

Floor level.

11. Except in the case of timber floors when the level shall be twelve inches above the highest adjoining ground, the level of the ground floor of every building shall be at least six inches above the level of the highest ground adjoining.

Floors.

12. (1) (a) Unless otherwise approved, the whole ground surface within the external walls (in the case of wooden buildings to six inches beyond the external walls) shall be concreted.

(b) Where concrete is used, it must be of a depth of at least four inches.

(2) (a) Rooms with wooden floors shall be provided with adequate ventilation beneath the floors.

(b) Ventilation holes and cavities shall be made rodent-proof.

Walls.

13. (1) Except in the case of any building of more than one storey (when the thickness of external walls to the level of the first floor shall be at least thirteen inches) all external walls shall have a minimum thickness of six inches.

(2) The thickness of internal or partition walls shall be not less than four inches.

(3) (a) Except in the case of walls built of permanent rodent-proof material, double walls are prohibited.

(b) In this paragraph "double walls" means walls of such construction as to include cavities liable to harbour rodents or other vermins:

Provided that, at the discretion of the Council, external and internal walls of lesser thicknesses than are prescribed by this bye-law may be permitted for building in which the roof is supported wholly or partially by steel or other metal structures.

14. (1) Every room intended or used for human habitation shall have a floor area of at least one hundred and forty-four square feet.

Size of
rooms.

(2) Every such room shall have a width of not less than eight feet and a minimum height measured from floor to ceiling of not less than ten feet.

(3) No room shall be constructed wholly or partly in the roof.

15. (1) All buildings shall have adequate through and through ventilation.

Ventilation.

(2) If windows or a window and door, are not placed opposite sides of a room or passage, or at appropriate ends of a passage, there shall be provided on the wall of such room or passage opposite each window or door, a ventilator having a clear area of one-sixteenth of the floor area of the room.

(3) All rooms shall contain at least one window opening into the external air, and the area of such window or windows, exclusive of sash frames, shall be not less than one-eighth of the floor area of the room.

(4) Every window shall be constructed so that one-half at least may be opened and so that the opening may extend in every case to the top of the window which shall be at least seven feet above the floor level of the room.

16. (1) No roof shall be constructed, renewed or repaired with thatch or other inflammable material and no building shall be erected, whether on the same or an adjoining plot, so that the extremities of the eaves are within fifteen feet of the extremities of the eaves of the building approved under paragraph 3:

Roofs.

Provided that nothing in these bye-laws shall prevent the construction, renewal or repair with thatch or other inflammable material in the case of houses approved to be built, renewed or repaired with mud and wattle.

(2) (a) Except with the approval of the Health Officer and of the Council no building shall have rain-gutters.

(b) All drainage of rain water from roofs or other surfaces shall be disposed of in such a manner as not to cause damage to any drain or road or any other thing maintained by the Council or other person.

17. (1) All rafters, purlins, struts, plates, joists, bressummers, lintels and all other beams and timbers shall be of sound, well-seasoned wood, properly squared and framed together and securely fixed to the satisfaction of the Building Inspector of the Council:

Rafters,
joists, etc.

Provided that if any building does not exceed one storey in height and the roof thereof is not of greater span than twenty-five feet, local timber may be used, but no such timber shall be of less diameter in any part than three inches, and all rafters of such timber shall be laid and securely nailed at distances (measured from centre to centre) of not more than eighteen inches apart.

(2) All timber rafters, purlins and joists shall be of the following minimum dimensions:—

- (a) if the member does not exceed six feet in clear bearing, four inches in depth and two inches in thickness;
- (b) if the member exceeds six feet and does not exceed seven and a half feet in clear bearing five inches in depth and two inches in thickness;
- (c) if the member exceeds seven and a half but does not exceed nine feet in clear bearing, six inches in depth and two inches in thickness;
- (d) if the member exceeds nine feet in clear bearing, a minimum thickness of two inches and a minimum depth equal to half an inch for every foot of clear bearing plus two inches; and
- (e) except with the approval of the Building Inspector, joists falling within the clear bearing of any member shall not be allowed.

Ceilings.

18. In the case of boarded ceilings, access shall be provided to the space between the ceiling and the roof by a trap door of not less than twenty-four by fifteen inches.

Staircases.

19. (1) Every flight of stairs in a staircase shall be constructed of sound and suitable material and be securely fixed and of adequate strength and comply with the following further requirements:—

The risers shall not be less than eight inches in width measured horizontally from face of riser, and not more than nine inches in height measured vertically from top of tread to top of tread.

(2) Every staircase shall have a minimum width of three feet six inches and a minimum head room of six feet six inches.

(3) All staircases, landings and passages shall have adequate light and ventilation.

Latrine.

20. (1) Every residential plot shall have a latrine.

(2) Other than a water closet, no latrine shall be constructed within a distance of six feet from any room intended for human habitation, or for consumption of food, or from any kitchen, pantry or place intended for storage of food.

(3) All earth closets shall be adequately ventilated and constructed as to be not less than six inches above ground level.

(4) The minimum dimensions for all earth-closets and wash places shall be five by four feet and six feet by four feet respectively.

(5) Every earth-closet (except a cesspool) shall have at all times an adequate supply of earth or sawdust or other deodorising substance.

Domestic effluent.

21. (1) The disposal of effluent shall be by means considered by the Health Officer to be satisfactory.

(2) Except in the case of non-roofed bathrooms and wash-places the floor of every bathroom and wash-place shall be flagged or paved with cement or other non-absorbent material in such a manner as to prevent water or other fluid from being absorbed by the floor or walls.

22. (1) Except where the number of rooms to be served exceeds five (in which case the area shall be increased by sixteen feet for each such room) the floor of a kitchen shall have minimum dimensions of eighty feet square.

Kitchens.

(2) With the approval of the Council, there may be built a covered way with a roofing of inflammable materials, between the kitchen and the main building.

23. All store rooms shall be rodent-proofed.

Store rooms.

24. A person commits an offence who—

(a) fails to give to the Council notice of commencement of, and completion of, any building; or

(b) until the Council, on the recommendation of the Health Officer, has in writing certified that the building is in all respects fit for occupation, lets or occupies it.

Completion of buildings.

25. (1) During construction a building shall be open to inspection by the Council, Building Inspector, Health Officer, or any person duly authorised by any of them.

Inspection.

(2) A copy of the building plan as approved shall be kept upon the site and shall be available for inspection at all times during working hours.

(3) (a) Any person commits an offence who without the written permission of the Council (acting in consultation with the Health Officer) builds otherwise than in accordance with the plan approved by the Council.

Offence.

(b) The Council (acting in consultation with the Health Officer) may, by endorsement on the plan, permit, for the period of one year from the date of such endorsement, such deviation from the plan and requirements of these bye-laws as will allow of the completion of the building.

Deviation from plan.

26. If any building, in respect of which a plan has been approved by the Council, is not commenced within twelve months of, or completed within eighteen months of the approval, the Council may in its discretion regard the plan as lapsed and call for a new plan.

Building to be commenced within certain period.

27. (1) A person commits an offence who, without the approval of the Council (acting in consultation with the Health Officer) undertakes or ceases to undertake, any repairs to a building.

Repairs to existing buildings.

(2) In the case of repairs involving structural alteration, the Council may at its discretion require the production of plan showing the proposed alteration.

28. (1) If it considers any building to be dangerous, the Council shall:—

Power of Council in relation to dangerous buildings.

(a) immediately take sufficient action (by fencing or otherwise) for the public protection; and

(b) cause written notice, as in sub-paragraph (2) to be served on—

(i) the owner of the building if he is known and is residing within one day's journey from the building; and

(ii) the occupier (if any).

(2) The notice shall require the owner or occupier, as the case may be, to take forthwith such action as may be specified in the notice.

(3) (a) If no such action is taken within four days of service on the owner and the occupier; or

(b) If service cannot within a reasonable time be effected, the Council shall cause to be taken such further action as it may deem necessary to remove the danger.

(4) All expenses in connection with any action taken under this bye-law shall be deemed to be a debt due from the owner to the Council.

Dangerous building may be sold for expenses.

29. (1) If at the end of six months after any action under sub-paragraph (3) of paragraph 28 has been taken by the Council, the debt due under sub-paragraph (4) of paragraph 28 has not been settled the Council may then, in order to defray the expenses, cause to be sold the building at the site.

(2) So far as is practicable and with all necessary alterations as to detail, every such sale shall be conducted as if it were in accordance with the provisions of the Sheriffs and Enforcement of Judgments and Orders Ordinance and sale of immovable property:

Provided that, in respect of Crown land, no right or occupancy nor lease shall be sold except with the consent of the Minister of Town Planning.

Removal of work executed in contravention of these bye-laws.

30. (1) Whenever any work shall be executed contrary to these bye-laws or to any instructions thereunder the Council may, by the service of notice in writing and within such time as may be specified in the notice require the person who has executed, or who has caused to be executed the work, or the owner or occupier—

(a) to remove the work; or

(b) to make such alterations therein as may be specified in the notice.

(2) If within the time specified in the notice, the action required is not performed, the Council as it may think proper may remove or alter the work.

(3) Any expenses incurred by the Council, acting under powers conferred by sub-paragraph (2), may be recovered as a debt from any of the persons served with notice under sub-paragraph (1).

Material of building taken down may be sold.

31. Whenever any building or part thereof is taken down by virtue of any powers conferred by these bye-laws the Council can sell the materials thereof and apply the proceeds of the sale in payment of the expenses incurred in respect of the taking down, and the balance, if any, shall be placed on deposit in the treasury of the Council to the credit of the owner of the building:

Provided that the Council shall not thereby be deprived of any remedy for compelling the payment of so much of the said expenses as may remain due after the application of the proceeds of the sale.

32. Every occupier of land (other than a Government servant occupying Government land) or the owner of any unoccupied land or of land which is occupied under a tenancy from year to year or for any term shall, if so required by the Council, and subject to the provisions of paragraph 34, fence such land with such a fence and in such manner as the Council shall approve, and shall at all times maintain such fence in good repair to the satisfaction of the Council.

Fencing of plots.

33. (1) A person commits an offence who—

- (a) subject to the provisions of paragraph (b) erects or causes to be erected around a plot any fence higher than six feet;
- (b) erects or causes to be erected around a plot on the corner of two or more roads a fence which is not low enough to allow a clear vision around the corner to approaching motor vehicle drivers;
- (c) constructs or causes to be constructed a fence of a material which may permit the harbourage of rodents; or
- (d) refuses or neglects to keep properly trimmed any live fence.

Offences in relation to fences.

(2) The Council may cause any fence to be reduced to a height in respect of which there is no contravention of sub-paragraph (1) and may recover, as a debt from the owner or the occupier, the cost of such reduction.

34. Whenever a person commits any offence declared to be such under the provision of these bye-laws he shall be liable to a fine not exceeding twenty-five pounds or in default of payment to imprisonment not exceeding two months.

Punishment of offences.

35. The penalties under the provisions of these bye-laws shall be imposed in a Native Court or a Customary Court or a Magistrate's Court.

Jurisdiction.

INSTRUMENT ESTABLISHING LOCAL COUNCILS
WITHIN THE ADMINISTRATIVE DIVISION OF OPOBO

(Date of Commencement: 1st October, 1958)

WHEREAS the Minister has consulted the wishes of the inhabitants of the area concerned:

AND WHEREAS the Governor in Council has given his approval:

Establishment of Local Councils. (Schedule).

NOW, THEREFORE, in exercise of powers conferred on the Minister by section 3 of the Eastern Region Local Government Law, 1955 (hereinafter called "the Law") the Local Councils (hereinafter called "the Councils") set out in the first column of the Schedule hereto shall be established within the area of the administrative division of Opobo on the 1st day of October, 1958.

Revocation of E.R.L.N. No. 58 of 1954.

AND NOW THEREFORE, in exercise of powers conferred on the Minister by subsection (5) of section 230 of the Law, the Instrument establishing the Local Councils in Opobo Division (which is published as E.R.L.N. No. 58 of 1954) is hereby revoked in the area of the Council with effect from the 1st day of October, 1958.

Seals.

2. The Common Seals of the Councils shall be as set out in the second column of the Schedule.

Area of authority.

3. The area of the authority of the Councils shall be the area of the villages in the third column of the Schedule, set out opposite to the Councils mentioned in the first column of the Schedule.

Constitution.

4. The Councils shall consist of the number of councillors set out in the fourth column of the Schedule opposite to the Councils mentioned in the first column of the Schedule.

Elections. (E.R.L.N. No. 190 of 1955).

5. The councillors to be elected shall be elected in accordance with the provisions of the Local Government (Elections) Regulations, 1955. The method of election shall be Type C. One councillor shall be elected from each ward described in the fifth column of the Schedule and numbered serially in the sixth column of the Schedule, to the Councils described in the first column of the Schedule opposite.

Dates for first election.

6. The first election of the Councils shall be held between the 1st August and the 30th September, 1958.

7. The election of a Chairman shall be the first business transacted at the first meeting of each Council, and thereafter the election of a Chairman shall be the first business transacted at the annual meeting of each Council.

Election of
Chairman.

8. The Councils—

Functions.

- (i) may perform all or any of the functions contained in paragraphs (4), (10), (18), (33), (40), (48), (66) and (83) of section 80 of the Law;
- (ii) may perform all or any of the functions contained in paragraphs (30), (31) and (32) of section 80 of the Law:
Provided that no market which is maintained by a District Council shall be subject to their jurisdiction;
- (iii) may build, equip and maintain or grant sums of money towards the establishment, equipment or maintenance of any asylum or settlement for lepers in accordance with paragraph (34) of section 80 of the Law;
- (iv) may make, alter and divert village roads, cycle tracks, paths, culverts, bridges, drains and water courses in accordance with paragraph (61) of section 80 of the Law;
- (v) may regulate or prohibit the planting, cutting, tapping or destruction of any trees or vegetation growing along any village road, cycle track or path in any public place, in accordance with paragraph (68) of section 80 of the Law;
- (vi) may provide that the owner or occupier of any land or tenements shall maintain, clear and keep free from vegetation the village roads, cycle tracks or paths adjoining their land or tenements in accordance with paragraph (69) of section 80 of the Law;
- (vii) may establish, control and manage village recreation grounds, open spaces and parks in accordance with the provisions of paragraph (78) of section 80 of the Law; and
- (viii) may raise money by precept, for and spend money on any subject which is within the powers of Local Councils as set out in the Law, or any other written law and which is approved by the Minister as being of a communal nature.

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)

INSTRUMENT AMENDING THE INSTRUMENT ESTABLISHING
LOCAL COUNCILS WITHIN THE AREA OF THE
ADMINISTRATIVE DIVISION OF BRASS

(Date of Commencement: 1st July, 1959)

In exercise of the powers conferred upon the Minister of Local Government by sections 7 and 8 of the Eastern Region Local Government Law, 1955, the Instrument establishing the Local Councils in Brass Division, which is published as E.R.L.N. No. 260 of 1956 is hereby amended:—

- (i) By *deletion* of the word "fourth" in paragraph 2 thereof and *substitution* therefor of the word "third".
- (ii) By *deletion* of the word "third" in paragraph 4 thereof and *substitution* therefor of the word "fourth".
- (iii) By *deletion* of paragraphs 4, 5, 6, 7, 8, 10 and 11 and the *substitution* therefor of the following:—

Wards. 4. One councillor shall be elected from each of the wards described in the Schedule to this Instrument.

Method of election
(E.R.L.N. No. 190 of 1955). 5. The method of election shall be in accordance with the provisions of the Local Government (Elections) Regulations, 1955, and the elections shall be Type C.

Functions. 6. The Councils:—

- (i) may perform all or any of the functions contained in paragraphs (4), (10), (18), (33), (40), (48), (66) and (83) of section 80 of the Law;
- (ii) may perform all or any of the functions contained in paragraphs (30), (31) and (32) of section 80 of the Law:

Provided that no market which is maintained by a District Council shall be subject to their jurisdiction;

- (iii) may build, equip and maintain or grant sums of money towards the establishment, equipment or maintenance of any asylum or settlement for lepers in accordance with paragraph (34) of section 80 of the Law;

- (iv) may make, alter and divert village roads, cycle tracks, paths, culverts, bridges, drains and water courses in accordance with paragraph (61) of section 80 of the Law;
 - (v) may regulate or prohibit the planting, cutting, tapping or destruction of any trees or vegetation growing along any village road, cycle track or path in any public place, in accordance with paragraph (68) of section 80 of the Law;
 - (vi) may provide that the owner or occupier of any land or tenements shall maintain, clear and keep free from vegetation the village roads, cycle tracks or paths adjoining their land or tenements in accordance with paragraph (69) of section 80 of the Law;
 - (vii) may establish, control and manage village recreation grounds, open spaces and parks in accordance with the provisions of paragraph (78) of section 80 of the Law;
 - (viii) may raise money by precept for and spend money on any subject which is within the powers of Local Councils as set out in the Law, or any other written law and which is approved by the Minister as being of a communal nature.
- (iv) By renumbering paragraph 9 to read 7.
- (v) By the *substitution* of the following Schedule for the Schedule thereof:—

Limitations of number of bodies.

13. No person shall, in any part of a public burial-ground cause or suffer more than one body to be buried at any one time in any grave in respect of which the exclusive right of burial has been granted:

Provided that this bye-law shall not be deemed to prohibit the burial at any time in any such grave of the bodies of two or more persons, members of the same family, subject to the requirements of paragraph 15 being strictly complied with.

Limitation in respect of opening a grave to bury other persons.

14. (a) In every case where, in any part of any public burial-ground, there has been buried in the grave in respect of which no exclusive right of burial has been granted the body of a person whose age at the time of death did not exceed twelve years, no person shall at any time within a period of eight years thereafter cause or suffer such grave to be opened for the purpose of burying therein the body of any person not a member of the family of which the person whose body has already been buried therein was a member.

(b) In every grave where in any part of any public burial-ground there has been buried in a grave in respect of which no exclusive right of burial has been granted, the body of a person whose age at the time of death exceeded twelve years; no person shall at any time within a period of fourteen years thereafter cause or suffer such grave to be opened for the purpose of burying therein the body of any person not a member of the family of which the person whose body has already been buried therein was a member.

No body to be buried at a less depth than four feet.

15. No person shall in any part of any public burial-ground cause or suffer the body of any person to be buried in a grave in such a manner as to require or allow any part of the coffin containing the body to be placed at a less depth than four feet below the level of the ground adjoining such grave.

Coffin to be separated by a distance of one foot.

16. No person shall in any part of any public burial-ground cause a body to be buried in a grave otherwise than in such a manner as to provide by means of a sufficient layer or layers of earth, closely rammed down throughout and not less than one foot in thickness, for the effectual separation of the coffin containing the body from any other coffin already in the grave.

Embedding of coffin when deposited in vaults.

17. Every person who, in any part of any public burial-ground has caused a body to be buried in a vault shall within a period of twenty-four hours after the deposit in such vault of the coffin containing the body, cause the coffin to be wholly and permanently embedded in and covered with a layer or layers of good cement concrete, not less in any part than

six inches in separate cell than two inches work in cement practicable, receptacle.

18. Every person who causes a body to be buried in any grave shall, at the lapse of twelve months after the interment, cause the surface of the grave to be level with the surface of the ground, and shall cause a gravestone or other lawful receptacle to be placed over the grave to be placed

19. (a) No person shall erect a memorial or monument in any grave in the office of the Registrar of Burial Grounds.

(b) No person shall erect a memorial or monument over any grave in the office of the Registrar of Burial Grounds.

(c) Any memorial or monument erected thereon, shall be removed by the Registrar of Burial Grounds in the Office of the Registrar of Burial Grounds.

(d) Every memorial or monument shall be not more than six feet high, and not more than six feet wide, except outside measurements.

(e) Memorials or monuments shall be placed on a level with the surface of the ground.

20. (a) No person shall erect a memorial or monument upon any grave in any burial-ground from time to time.

(b) All memorials or monuments shall be removed by the Registrar of Burial Grounds in the Office of the Registrar of Burial Grounds.

(c) No person shall erect a memorial or monument in any grave in any burial-ground except under the authority of the Registrar of Burial Grounds.

(d) No person shall erect a memorial or monument in any grave in any burial-ground in such a manner as to obstruct the roads or to be a nuisance or to be a danger to the public or to preserve the appearance of the burial-ground.

(e) The Registrar of Burial Grounds may, if he thinks fit, extend more than six feet high, and not more than six feet wide, except outside measurements.

21. No person shall erect a memorial or monument in any grave in any burial-ground in such a manner as to obstruct the roads or to be a nuisance or to be a danger to the public or to preserve the appearance of the burial-ground.

six inches in thickness or to be wholly and permanently enclosed in a separate cell or receptacle constructed of slate or stone flagging not less than two inches in thickness, properly jointed in cement or of good brick work in cement, and in such a manner as to prevent as far as may be practicable, the escape of any noxious gas from the interior of such cell or receptacle.

18. Every person who, in any part of any public burial-ground, causes a body to be buried in a grave in respect of which the exclusive right of burial has been granted, shall as soon as conveniently may be after the lapse of such a period as may reasonably suffice for the natural subsidence of the earth with which the grave has been filled up, cause the surface of the grave to be properly covered with fresh turf, or with such gravestone or monument as by virtue of any grant by the Council may lawfully be erected or placed thereon, or shall cause the surface of such grave to be planted with shrubs or with other suitable vegetation.

Persons causing a body to be buried in a grave to produce turf, etc.

19. (a) All applications for permission to erect any monumental or memorial work within any public burial-ground shall be made at the office of the Council.

Application for the erection of memorials.

(b) No monument, gravestone, tablet, kerb, or railing will be allowed over any grave in which the exclusive right of burial has not been purchased.

(c) A drawing indicating the dimensions of every monumental or memorial work and a copy of every inscription proposed to be placed thereon, shall be submitted to the Council for approval and, shall be filed in the Office of the Council previous to its erection.

(d) Every kerb, railing or border shall be placed so that the outside measurement of the space to be covered shall be seven feet long by three feet wide, except in the case of graves set apart for children where the outside measurement shall be four feet long by two feet wide.

(e) Marble or other chips will be permitted only on graves having a kerb.

20. (a) Monuments, headstones, and other like works, shall be erected upon such foundations and of such materials as the Council shall from time to time approve.

Erection of memorials.

(b) All monuments once commenced shall be proceeded with from day to day until completion.

(c) No memorial shall be erected, fixed, removed or re-entered except under the supervision of the officers of the Council.

(d) No hewing or dressing of stones will be permitted within any of the cemeteries or of the approaches thereto, and all materials for monuments or memorials shall be conveyed into cemeteries by hand, or in such a manner under the direction of the Council as will avoid the cutting up of the roads or walks, planks, boards or canvas being used, as may be directed, to preserve the grass or roads from injury by such works.

(e) The foundations of any headstone or other memorial shall not extend more than two feet below the surface of the ground.

21. No article of pottery, glass or metalware, unless suitable for the purpose, shall be placed on any grave. A broken or damaged receptacle or ornament shall not be allowed to remain on any grave, and the Council shall be at liberty to remove the same if the owner fails to do so.

18. Every person who, in any part of any public burial-ground, causes a body to be buried in a grave in respect of which the exclusive right of burial has been granted, shall as soon as conveniently may be after the lapse of such a period as may reasonably suffice for the natural subsidence of the earth with which the grave has been filled up, cause the surface of the grave to be properly covered with fresh turf, or with such gravestone or monument as by virtue of any grant by the Council may lawfully be erected or placed thereon, or shall cause the surface of such grave to be planted with shrubs or with other suitable vegetation.

Persons causing a body to be buried in a grave to produce turf, etc.

19. (a) All applications for permission to erect any monumental or memorial work within any public burial-ground shall be made at the office of the Council.

Application for the erection of memorials.

(b) No monument, gravestone, tablet, kerb, or railing will be allowed over any grave in which the exclusive right of burial has not been purchased.

(c) A drawing indicating the dimensions of every monumental or memorial work and a copy of every inscription proposed to be placed thereon, shall be submitted to the Council for approval and, shall be filed in the Office of the Council previous to its erection.

(d) Every kerb, railing or border shall be placed so that the outside measurement of the space to be covered shall be seven feet long by three feet wide, except in the case of graves set apart for children where the outside measurement shall be four feet long by two feet wide.

(e) Marble or other chips will be permitted only on graves having a kerb.

20. (a) Monuments, headstones, and other like works, shall be erected upon such foundations and of such materials as the Council shall from time to time approve.

Erection of memorials.

(b) All monuments once commenced shall be proceeded with from day to day until completion.

(c) No memorial shall be erected, fixed, removed or re-entered except under the supervision of the officers of the Council.

(d) No hewing or dressing of stones will be permitted within any of the cemeteries or of the approaches thereto, and all materials for monuments or memorials shall be conveyed into cemeteries by hand, or in such a manner under the direction of the Council as will avoid the cutting up of the roads or walks, planks, boards or canvas being used, as may be directed, to preserve the grass or roads from injury by such works.

(e) The foundations of any headstone or other memorial shall not extend more than two feet below the surface of the ground.

21. No article of pottery, glass or metalware, unless suitable for the purpose, shall be placed on any grave. A broken or damaged receptacle or ornament shall not be allowed to remain on any grave, and the Council shall be at liberty to remove the same if the owner fails to do so,

Maintenance of graves and memorials.

22. Every private grave, vault, monument or memorial shall be kept in repair at the expense of the owner. The Council will communicate with the owner when repairs are needed and if such repairs are not made within six months after the service of such notice, the memorial may be repaired or removed by the Council. No grave or vault upon which any repairs have been executed by the Council shall be opened for burial until the charges thus incurred have been paid, and if payment be not made within a reasonable time after demand, the memorial may be removed and the exclusive right to the vault or grave shall be liable to forfeiture.

Bricked graves or vaults.

23. No underground brick or stone work shall be allowed in any grave in which the exclusive right of burial has not been purchased.

Burial not to take place within three feet of fences.

24. No burials shall be allowed within three feet of any boundary fence.

Hours of interments.

25. All interments shall take place on week-days between the hours of 8 a.m. and 6 p.m. and on Sundays and public holidays between the hours of 10 a.m. and 6 p.m.

Provisions relating to conduct.

26. (a) No vehicles, other than a vehicle used for the conveyance of the corpse, bicycles or perambulators shall be admitted to any public burial-ground unless with the permission of the Council.

(b) No child apparently under the age of twelve years shall be admitted to any public burial-ground except under the care of some responsible person.

(c) No animals shall be allowed within the cemeteries.

(d) No person shall be allowed to distribute business cards or other advertisements, or to solicit orders within the cemeteries, and no person shall attempt to take photographs or copy any memorials, or photograph any grave or flowers without the owners' permission.

(e) No person shall wilfully destroy or injure any building, wall or fence belonging to any public burial-ground, or destroy or injure any tree, plant or shrub therein or shall mark or disfigure any wall thereof, or put up any bill therein, or on any wall thereof, or wilfully destroy, injure, or deface any monument, tomb, headstone, tablet, inscription or grave-stone, within any public burial-ground or do other wilful damage therein.

(f) No person shall play at any game, or sport or (except at ceremonial or military funerals) discharge firearms in any public burial-ground, or wilfully or unlawfully disturb any persons assembled therein.

Purchase of exclusive right of burial.

27. (a) Any person desiring to reserve to himself the right to purchase the exclusive right of burial shall be entitled to select a grave-space in any section of a public burial-ground provided that such section has been laid out for burials, by order of the Council but no enclosure thereof shall be allowed until at least one burial has been made therein. The fees as set out in the scale of fees and charges approved by the Council shall be payable at the time of reservation.

(b) No transfer of any purchased grave or grave-space, otherwise than by demise or inheritance shall be made without the consent of the Council, and all transfers shall be registered by the Council at the expense of the applicant,

(c) The purchaser of exclusive right of burial in any grave space or vault shall be furnished with a grant of such right, and the particulars thereof shall be entered in the register to be kept for the purpose. The registered owner of every purchased grave-space shall have the right of burial therein of any:—

- (i) member of his or her family;
- (ii) persons dying within the boundary of the Aba Urban District Council;
- (iii) residents within the Aba Urban District Council area; and
- (iv) rate-payers thereof.

(d) No vault or grave in which the exclusive right of burial has been purchased shall be reopened without the production of the grant or deed belonging to such vault or grave, or if such grant or deed cannot be produced by reason of being lost or mislaid, of a statutory declaration or other evidence of such loss satisfactory to the Council.

28. Flowers and shrubs may be planted on any grave subject to the control and supervision of the Council.

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)

THE ENUGU MUNICIPALITY (OMNIBUS
TRANSPORT CONTROL) BYE-LAWS, 1959

(Date of Commencement: 1st November, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955 the following bye-laws have been made by the Enugu Municipality.

Citation and
commence-
ment.

1. These bye-laws may be cited as the Enugu Municipality (Omnibus Transport Control) Bye-laws, 1959, and shall come into operation on a day to be appointed by the Minister of Local Government.

Definitions.

2. In these bye-laws :—

“Bus Route” means any bus route specified in the First Schedule.

“Bus Stop” means the approved places for picking up or setting down passengers from an Omnibus mentioned in the Second Schedule.

“Council” means any Local Government Council established by instrument under the provisions of Eastern Region Local Government Law to have jurisdiction over Enugu.

“Omnibus” or “Bus” means any vehicle of any type, size and make having up to four wheels and not being a taxi or private car which is used within the area of the Council for transport of passengers.

“Permitted persons” include the owner of the Omnibus and any employee of such owner.

“Prohibited Load” means any load not to be carried in a bus as provided in bye-law 10 (1).

3. (1) Except with the prior written permission of the Council no person shall operate or permit to be operated any Bus Service within the area of the authority of the Council.

No bus service to be operated without permit from the Council.

(2) Any person who contravenes the provisions of sub-paragraph (1) shall be guilty of an offence and liable upon conviction to a fine of twenty pounds, or in default of payment to a term of imprisonment not exceeding four months.

(3) Any person intending to operate a bus shall apply to the Council in writing stating his full name and residential address and stating full particulars of all buses he intends to operate including the make, registered number and seating capacity of each bus.

4. (1) Any person permitted to operate a bus service by the Council shall do so on any of the roads specified in the First Schedule and on no other roads in the area of the authority of the Council.

Specific roads. (First Schedule).

(2) Any person who contravenes the provisions of sub-paragraph (1) shall be guilty of an offence and liable upon conviction to a fine of ten pounds or in default of payment to a term of imprisonment not exceeding two months.

5. (1) The Council will charge an operation fee of 30s for each omnibus per quarter for a permit to operate a bus service under the provisions of these bye-laws.

Operation fee.

(2) The Council can vary the fees by means of a resolution which shall be reduced in writing and pasted on the Council's notice board at least one month before the date the variation of the fees shall commence.

6. (1) The maximum fare that may be charged for one person travelling as a passenger shall be as shown in the Third Schedule.

Bus fares.

(2) Any person who charges a passenger more than the appropriate maximum fare as set out in Third Schedule shall be guilty of an offence.

(3) Every bus shall be provided with at least one conductor who shall carry with him consecutively numbered tickets for the fares.

(4) Every passenger on paying the required fare shall be given the appropriate ticket by the conductor.

(5) Every person who operates a bus without a conductor, and any conductor who fails to issue an appropriate ticket to a passenger, shall be guilty of an offence.

7. (1) Every proprietor of a bus shall register with the Council the names and residential addresses of any number of conductors, and a registration fee of five shillings per person shall be paid. Such fees can be varied in the manner set out in bye-law 5 (2).

(2) It shall be an offence to operate a bus without a registered conductor accompanying the bus on duty.

8. (1) No person shall pick up or set down or permit to be picked up or set down any passenger in or for an omnibus save at one of the bus stops mentioned in the Second Schedule. No person shall board or leave an omnibus at a place other than a bus stop mentioned in the Second Schedule.

Approved bus stops.

(2) Any person who contravenes any provision of sub-paragraph (1) shall be guilty of an offence.

Queues.

9. (1) If two or more persons are waiting at a bus stop they shall form themselves into a queue in the order of their arrival at the bus stop and their boarding of any omnibus shall be in that order.

(2) Any person who boards or attempts to board an omnibus otherwise than as provided in sub-paragraph (1) shall be guilty of an offence.

(3) Any person who picks or who attempts to pick up a passenger at a bus stop in contravention of the provisions of sub-paragraph (1) shall be guilty of an offence.

Provision for loads.

10. (1) Any load actually or apparently unwieldy and, in any case any load above the weight of twenty-eight cwt. except a portmanteau shall not be carried in a bus.

(2) Any conductor who allows a prohibited load, in a bus to the inconvenience of any passenger, shall be guilty of an offence.

Penalty.

11. Any person guilty of an offence under any provision of paragraphs 6, 7, 8, 9 or 10 shall be liable upon conviction to a fine of five pounds or in default of payment to a term of imprisonment not exceeding one month.

Common terminus.

12. The Motor Park shall be the common terminus for all buses on return journeys.

Revocation of E.R.L.N. No. 36 of 1956.

13. The Enugu Urban District Council (Omnibus Transport Control) Bye-laws, 1955 are hereby revoked.

THE ENUGU MUNICIPAL COUNCIL
(CONTROL OF TRAFFIC) BYE-LAWS, 1959

(Date of Commencement: 1st November, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955, the following bye-laws have been made by the Enugu Municipal Council:

These bye-laws may be cited as the Enugu Municipal Council (Control of Traffic) Bye-laws, 1959 and shall come into operation on a date to be fixed by the Minister of Local Government.

Citation and commencement.

2. In these bye-laws:—

Definitions.

“Council” means the Enugu Municipal Council;

“vehicle” means any motor vehicle, carriage, cart or cycle;

“Commercial vehicle” means a passenger transport lorry, taxi cab, rickshaw or any other wheeled vehicle whatsoever which is used for commercial purposes.

3. No person shall drive or propel any vehicle within the area set out in the Schedule to these bye-laws at a speed exceeding thirty miles per hour.

Maximum speed.

4. Notwithstanding the provisions of bye-law 3, the Council reserves the right to impose a lesser speed limit as and when it is considered to be to the public interest to do so.

5. No person shall ply a commercial vehicle, with the exception of a taxi cab, along Secretariat Road, i.e., that stretch of road from the roundabout at the junction of Station Road and High Street to the junction of Secretariat Road and Leck Avenue.

Ban on commercial vehicles.

6. (a) No person while driving any vehicle whatsoever, shall sound any horn or hooter within a “Noiseless Zone”.

Noiseless Zones.

(b) There shall be, for the purposes of these bye-laws, two Noiseless Zones within the area set out in the Schedule to these bye-laws, which are as follows:—

- (i) that stretch of road, known as High Street, Enugu, from the roundabout at the junction of Station Road and High Street to the junction of High Street and Ogui Road;
- (ii) that stretch of road, known as Secretariat Road, Enugu, from the roundabout at the junction of Station Road and High Street to the junction of Secretariat Road and Leck Avenue.

Council's powers.

7. Notwithstanding anything provided in the foregoing sections, the Council reserves to itself the right to erect appropriate road signs to provide for the safe regulation of road traffic within the area set out in the Schedule to these bye-laws.

8. Any person who:—

- (a) contravenes or fails to comply with the provisions of these bye-laws relating to speed limit; or
- (b) fails to obey road signs; or
- (c) sounds horn or hoots within a noiseless zone; or
- (d) plies a commercial vehicle along the Secretariat Road,

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month.

9. Legal proceedings under these bye-laws shall be brought before a Magistrate's Court.

SCHEDULE

The Eastern Region Forest Law (No. 41 of 1955)

MILLIKEN HILL FOREST RESERVE ORDER, 1959

(Date of Commencement: 22nd October, 1959)

Notice is hereby given under subsection (1) of section 8 of the Eastern Region Forest Law, 1955, that it is proposed to constitute as a Government Reserve for the purposes of the Law, the lands described in the Schedule hereto and it is hereby declared as follows:—

- (a) That the said lands now form a protected forest within the meaning of the Law.
- (b) That the said lands are lands coming within paragraph (b) of subsection (1) of section 7 of the Eastern Region Forest Law, 1955.
- (c) That it is intended to constitute the said lands as a Forest Reserve for the general purposes of the Government.

2. It is hereby further notified that the Minister of Agriculture has been pleased to appoint Mr P. J. Phillips, Conservator of Forests, as the Reserve Settlement Officer for the purposes of the Law.

SCHEDULE

All that piece of land to the south of Milliken Hill in the Udi Division of Enugu Province containing an area of approximately 222 acres the boundaries of which are as follows:—

MADE by the Minister at Enugu this 24th day of September, 1958.

P. O. NWOGA
Minister of Local Government

E.R.L.N. No. 335 of 1959

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)

INSTRUMENT ESTABLISHING LOCAL COUNCILS
WITHIN THE AREA OF THE ADMINISTRATIVE
DIVISION OF AFIKPO AND REVOKING THE PREVIOUS
INSTRUMENTS ESTABLISHING LOCAL COUNCILS
WITHIN THE ADMINISTRATIVE DIVISION OF
AFIKPO

(Date of Commencement: 1st October, 1958)

WHEREAS the Minister has consulted the wishes of the inhabitants of the area concerned:

AND WHEREAS the Governor in Council has given his approval:

Establishment of Local Councils. (Schedule).

NOW, THEREFORE, in exercise of powers conferred on the Minister by subsection (5) of section 3 of the Eastern Region Local Government Law, 1955 (hereinafter called "the Law") the Local Councils (hereinafter called "the Councils") set out in the first column of the Schedule hereto shall be established within the area of the administrative division of Afikpo on the 1st day of October, 1958.

Revocation of E.R.L.N. Nos. 159 and 160 of 1955.

AND NOW THEREFORE, in exercise of powers conferred on the Minister by subsection (5) of section 230 of the Law, the Instrument establishing the Local Councils in Afikpo Division (which are published as E.R.L.N. Nos. 159 and 160 of 1955) are hereby revoked in the area of the Council with effect from the 1st day of October, 1958.

Seals.

2. The Common Seals of the Councils shall be as set out in the second column of the Schedule.

Area of authority.

3. The area of the authority of the Councils shall be the area of the villages in the third column of the Schedule, set out opposite to the Councils mentioned in the first column of the Schedule.

Constitution.

4. The Councils shall consist of the number of councillors set out in the fourth column of the Schedule opposite to the Councils mentioned in the first column of the Schedule.

Elections. (E.R.L.N. No. 190 of 1955).

5. The councillors to be elected shall be elected in accordance with the provisions of the Local Government (Elections) Regulations, 1955. The method of election shall be Type C. One councillor shall be elected from each ward described in the fifth column of the Schedule and numbered serially in the sixth column of the Schedule, to the Councils described in the first column of the Schedule opposite.

Dates for first election.

6. The first election of the Councils shall be held between the 1st August and the 30th September, 1958.

Election of Chairman.

7. The election of a Chairman shall be the first business transacted at the first meeting of each Council, and thereafter the election of a Chairman shall be the first business transacted at the annual meeting of each Council.

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E. R. No. 26 of 1955)THE ISHIELU DISTRICT COUNCIL (SLAUGHTER)
BYE-LAWS, 1959

(Date of Commencement: 1st November, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955, the following bye-laws have been made by the Ishielu District Council.

1. These bye-laws may be cited as the Ishielu District Council (Slaughter) Bye-laws, 1959, and

Citation and commencement.

(a) shall apply to the areas within three miles radius of the following markets:—

- (i) The Okwo Market of Ngbo.
- (ii) The Effium Market of Effium.
- (iii) The Nkwo Market of Nkalagu.
- (iv) The Afor Market of Ezzillo and any other market or markets that may be added to this list from time to time by the Ishielu District Council, and

(b) shall come into operation on a date to be fixed by the Minister of Local Government.

2. In these bye-laws:—

Definitions.

“Council” means the Ishielu District Council;

“slaughterhouse” means a slaughterhouse established by or with the consent of the Ishielu District Council and shall include a public slaughter slab;

“slaughter” means the killing of animals intended for the food of man and intended to be offered for sale as such;

“health officer” means a Medical Officer of Health or a person duly authorised by him for any purpose of these bye-laws.

3. Except as provided in paragraph 6 of these bye-laws no animal shall be slaughtered except—

Place of slaughter.

(a) in a public slaughterhouse;

(b) in a private slaughterhouse established with the consent and approval of the District Council;

or a special permit from the District Council on the recommendation of the Health Officer and not until the animal has been examined by a Health Officer duly authorised by the District Council and passed by him as fit for slaughter.

4. Subject to the provisions of paragraph 6 any person who slaughters an animal without having first obtained a permit to slaughter the animal or animals mentioned therein from a Health Officer authorised by the Council shall be guilty of an offence.

No slaughtering without permit.

5. Subject to the provisions of paragraph 6 of these bye-laws, such permit shall be issued subject to the following conditions:—

Conditions on which permit will be issued.

(a) that the animal or animals have been inspected and passed by a Health Officer so authorised as fit for human food; and

(b) that the fees prescribed in the Schedule have been paid in respect of the animal or animals specified in the permit.

Exemption in case of native ceremonies.

Exposure of meat for sale.

Inspection of slaughtered meat.

Disposal of diseased meat.

Cleaning of slaughterhouse.

Hours of opening.

Penalty.

Jurisdiction.

6. No permit will be required for the slaughtering of cows, horses, goats, sheep and swine in premises other than a slaughterhouse for festivals and burial ceremonies.

7. Any person who sells or exposes for sale any meat in any of the markets listed in paragraph 1 other than smoked meat or meat examined and passed as being fit for human consumption by a Health Officer shall be guilty of an offence.

8. Any person who removes the meat of any animal slaughtered in a slaughterhouse before it has been inspected and passed as being fit for human consumption by a Health Officer shall be guilty of an offence.

9. Any meat which a Health Officer considers unfit for human consumption shall be destroyed in such a manner as the District Council upon the advice of the Medical Officer of Health shall direct.

10. Any person who slaughters at a public slaughterhouse and who fails immediately afterwards to clean away and dispose of all bloody offal and rubbish of any description or who fails thoroughly to wash and clean the public slaughterhouse as directed by a Health Officer shall be guilty of an offence.

11. A public slaughterhouse shall be opened during the hours of 6 a.m. to 12 noon on such days as the District Council shall announce by public notice displayed at the public slaughterhouse.

12. Any person who is guilty of an offence against any paragraph of these bye-laws shall be liable upon conviction to a fine not exceeding twenty shillings or in default of payment to imprisonment not exceeding fourteen days for the first offence and to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month for each subsequent offence.

13. The penalties prescribed in these bye-laws shall be imposed by a Native Court or a Customary Court or a Magistrate's Court.

MADE by the Minister at Enugu this 26th day of August, 1959.

P. O. NWOGA
Minister of Local Government

E.K

E.R.L.N. No. 344 of 1959

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)

INSTRUMENT ESTABLISHING LOCAL COUNCILS
WITHIN THE AREA OF THE ADMINISTRATIVE
DIVISION OF ONITSHA (No. 3)

(Date of Commencement: 1st September, 1959)

WHEREAS the Minister has consulted the wishes of the inhabitants of the area concerned:

AND WHEREAS the Governor in Council has given his approval:

NOW, THEREFORE, in exercise of powers conferred on the Minister by section 3 of the Eastern Region Local Government Law, 1955 (hereinafter called "the Law") the Local Councils (hereinafter called "the Councils") set out in the first column of the Schedule hereto shall be established within the area of the administrative division of Onitsha on the 1st day of September, 1959.

Establishment of Local Councils. (Schedule).

2. The Common Seals of the Councils shall be as set out in the second column of the Schedule.

Seals.

3. The area of the authority of the Councils shall be the area of the villages in the third column of the Schedule, set out opposite to the Councils mentioned in the first column of the Schedule.

Area of authority.

4. (1) Until the 31st of March, 1960 each councillor who was a member of the Atani and Osomari Local Councils, on the 31st day of August, 1959 is hereby appointed to be a member of the Local Council in the first column of the Schedule which contains the ward for which he was elected.

Constitution.

(2) Thereafter the Councils shall consist of the number of elected councillors set out in the fourth column of the Schedule opposite to the Councils mentioned in the first column of the Schedule.

5. The councillors to be elected shall be elected in accordance with the provisions of the Local Government (Elections) Regulations, 1955. The method of election shall be Type C. One councillor shall be elected from each ward described in the fifth column of the Schedule and numbered serially in the sixth column of the Schedule to the Councils described in the first column of the Schedule opposite.

Elections. (E.R.L.N. No. 190 of 1955).

6. The first election of the Councils shall be held between the 2nd January and the 25th March, 1960.

Dates for first election.

**Election of
Chairman.**

7. The election of a Chairman shall be the first business transacted at the first meeting of each Council, and thereafter the election of a Chairman shall be the first business transacted at the annual meeting of each Council.

Functions.

8. The Councils—

(i) may perform all or any of the functions contained in paragraphs (4), (10), (18), (33), (40), (48), (66) and (83) of section 80 of the Law;

(ii) may perform all or any of the functions contained in paragraphs (30), (31) and (32) of section 80 of the Law:

Provided that no market which is maintained by a District Council shall be subject to their jurisdiction;

(iii) may build, equip and maintain or grant sums of money towards the establishment, equipment or maintenance of any asylum or settlement for lepers in accordance with paragraph (34) of section 80 of the Law;

(iv) may make, alter and divert village roads, cycle tracks, paths, culverts, bridges, drains and water courses in accordance with paragraph (61) of section 80 of the Law;

(v) may regulate or prohibit the planting, cutting, tapping or destruction of any trees or vegetation growing along any village road, cycle track or path in any public place, in accordance with paragraph (68) of section 80 of the Law;

(vi) may provide that the owner or occupier of any land or tenements shall maintain, clear and keep free from vegetation the village roads, cycle tracks or paths adjoining their land or tenements in accordance with paragraph (69) of section 80 of the Law;

(vii) may establish, control and manage village recreation grounds, open spaces and parks in accordance with the provisions of paragraph (78) of section 80 of the Law; and

(viii) may raise money by precept for and spend money on any subject which is within the powers of Local Councils as set out in the Law, or any other written law and which is approved by the Minister as being of a communal nature.

PUBLIC NOTICE

*The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)*

THE ASA RURAL DISTRICT COUNCIL (NATIVE
LIQUOR LICENSING) BYE-LAWS, 1959

(Date of Commencement: 1st December, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955, the following bye-laws have been made by the Asa Rural District Council.

1. These bye-laws may be cited as the Asa Rural District Council (Native Liquor Licensing) Bye-laws, 1959 and shall come into operation on a day to be fixed by the Minister of Local Government.

Citation and
commence-
ment.

2. In these bye-laws:—

Definitions.

“Council” means the Asa Rural District Council;

“court” means a Magistrate’s Court;

“native liquor” means palm wine and any kind or description of fermented liquor usually made by the natives of Nigeria or the adjacent territories.

3 (i) Any person who shall sell native liquor other than as provided for in paragraph 4 without a licence issued in accordance with these bye-laws or otherwise than on or from the premises specified in such licence shall be guilty of an offence and liable on conviction to a fine not exceeding twenty pounds or in default of payment to imprisonment not exceeding two months:

Licence for
sale of
native
liquor.

(ii) Provided that producers may sell wholesale in markets maintained by the Council without a licence.

4. (1) Licences of the descriptions hereinafter prescribed authorising the sale of native liquor subject to the provisions of these bye-laws may be issued by the Council.

Types of
licences.

- (a) “Native Liquor On Licence” as in Form A in the First Schedule authorising the sale of native liquor for consumption on the licensed premises;
- (b) “Native Liquor Off Licence” as in Form B in the First Schedule authorising the sale of native liquor to be consumed off the licensed premises;
- (c) “Occasional Native Liquor Licence” as in Form C in the First Schedule authorising the sale of native liquor on special occasions on such days, during such hours and at such place (not being a place otherwise licensed under these bye-laws) as the Council may approve.

B 1316

(2) An "Occasional Native Liquor Licence" shall only be granted to the holder of a licence to sell native liquor and shall not be granted for any period exceeding three days. The Council shall notify the Senior Police Officer in the area of the issue of the licence and the particulars thereof.

Hours of sale.

5. Except in the case of an Occasional Native Liquor Licence every licence issued under these bye-laws shall permit the sale of native liquor as follows:—

- (a) On Christmas Day, Good Friday or Sunday, between the hours of 12.30 p.m. and 2 p.m. and 5 p.m. and 8 p.m., and
- (b) On any other day between 6 a.m. and 10.30 p.m.:

Provided that on application being made to the Council the Council may after hearing the applicant and the Senior Police Officer in the area extend the hours during which native liquor may be sold on licensed premises on any special occasion.

Licence to expire on 31st December.

6. (1) Every licence other than an Occasional Native Liquor Licence shall expire on the 31st December in the year in which it is issued.

(Fees Second Schedule).

(2) The fees set out in the Second Schedule hereto shall be payable to the Council for licences.

(3) When any licence other than Occasional Native Liquor Licence is issued on or after the 1st July, in any year, one-half of the above-mentioned licence fees shall be payable.

Application Forms D, E and F.

7. (1) Application for licences shall be made to the Council as in Forms D and E in the First Schedule as the case may be, obtainable from the Council's Office.

(2) Application for the renewal of licences shall be made as in Form F in the First Schedule and shall be submitted to the Council not later than the 15th December, in any year, and applications submitted after that date will not be considered without payment of the late fee specified in the Second Schedule.

Conditions of issue and transfer.

8. (1) The Council shall not issue a licence or approve the transfer of a licence as hereinafter provided until it has satisfied itself as to the fitness of the applicant to hold the licence and as to the suitability of the premises both as regards structure and locality.

(2) The Council may in its discretion restrict the number of licences either generally or of any particular class to be issued in respect of its area or any part thereof.

Objections.

9. (1) Any person residing in the district or place in respect of which a licence or renewal is applied for may lodge with the Council his objections to the grant or issue thereof.

(2) In any case in which an objection is so lodged, the Council shall before issuing or refusing to issue any such licence or renewal hold an inquiry and hear both the applicant and objector.

Powers of the Council to impose conditions, etc., or revoke licences.

10. The Council may, in its discretion, but subject to the provisions of these bye-laws:

- (a) impose and endorse on a licence any special condition or restriction which it may consider necessary or advisable;
- (b) revoke any licence, if it shall consider that such revocation is necessary or advisable:

Provided that save when a licence is revoked by reason of the licence holder having been convicted of an offence under these bye-laws, or under any other law, a refund of a proportionate part of the fee paid for the licence in respect of each complete month of the unexpired period of its currency shall be made.

11. (1) Applications for the transfer of a licence from one person to another or from one address to another may be approved by the Council and all such applications shall be made in writing to the Council.

Transfer of
licences.

(2) On the approval of any such transfer by the Council, the fee specified in the Second Schedule shall be payable and the licence shall be altered accordingly by the Council.

Second
Schedule.

12. (1) Every holder of a Native Liquor On or a Native Liquor Off Licence shall suspend or affix and maintain over the entrance to the licensed premises a board of not less in dimensions than two feet long by eight inches high on which is displayed in legible characters in English the name of the licensee and the class of licence of which he is the holder.

Board to be
affixed on
licensed
premises.

(2) A person who is not licensed under these bye-laws shall not display any board or notice of any kind on his premises suggesting that he is so licensed, and no person being the holder of a licence shall display on his premises any board or notice of any kind suggesting that he is licensed in any other way than that in which he is duly licensed.

13. Any person being the holder of a licence who—

Offences.

- (a) permits drunkenness or any riotous or quarrelsome conduct on his premises; or
- (b) sells native liquor to any person already in a state of intoxication or by any means encourages or excites any such person to drink native liquor; or
- (c) sells native liquor to any child under fourteen years of age; in a Liquor On premises; or
- (d) sells or supplies native liquor to any soldier, police officer or railway servant in uniform and on duty or knowingly harbours or suffers to remain on his premises any such soldier, police officer or railway servant, unless, in the case of a police officer for the purpose of keeping or restoring order or in the execution of his duty; or
- (e) permits his premises to be used as a brothel or to be the habitual resort or place of meeting of prostitutes, or allows any such person to remain on his licensed premises longer than is necessary for the consumption of any native liquor purchased; or
- (f) keeps his premises open for the sale of native liquor during any time when he is not authorised by his licence to sell native liquor or allows native liquor to be consumed on such premises during any such time; or
- (g) permits any person to consume native liquor on his premises when he does not hold a Native Liquor On Licence or sells native liquor for consumption off his premises when he does not hold a Native Liquor Off Licence; or

- (h) permits gambling or any unlawful game to be played on the licensed premises; or
- (i) sells native liquor for any valuable consideration other than a cash payment in current coin; or
- (j) refuses to produce his licence when so required by an administrative or police officer; or any person authorised by the Council; or
- (k) adds to native liquor any other alcoholic liquor with a view to increasing the alcoholic contents of the former;

shall be guilty of an offence and liable, on conviction to a fine not exceeding twenty-five pounds or in default of payment to imprisonment not exceeding two months.

Disorderly persons on licensed premises.

14. Any person being the holder of a licence or his agent or servant shall refuse to admit to, and shall eject from his licensed premises, by reasonable force if necessary any person who is drunken, violent, quarrelsome or disorderly, or any person whose presence on his premises would subject him to a penalty under these bye-laws and any such person who on being required by such licensed person or his agent or servant or by a police officer to quit such premises, refuses or fails to do so shall be guilty of an offence and liable on conviction to a fine of five pounds, and all police officers are required to demand of such licensed person, or his agent or servant to expel or assist in expelling such person from such premises.

Drinking on premises during prohibited hours.

15. Any person who—

- (a) not being the occupier or a servant or member of the family of the occupier consumes native liquor on licensed premises during the hours when the sale of native liquor is prohibited; or
- (b) being found on licensed premises during hours during which the sale of native liquor is prohibited refuses to give his name and address when demanded by a police officer; or
- (c) knowingly purchases native liquor from a person who is not fully licensed to sell the same;

shall be guilty of an offence and liable on conviction to a fine not exceeding ten pounds or in default of payment to imprisonment not exceeding one month.

Powers of authorised persons.

16. Any administrative officer, police officer and any person duly authorised in writing by the Council may:

- (a) enter any licensed premises at any time for the purpose of detecting or preventing any breach of the provisions of these bye-laws; and
- (b) at any time require the production of a licence; and
- (c) having reasonable grounds for believing that native liquor is being sold by any person not being duly licensed in that behalf, enter and inspect any premises occupied by such person and seize and detain any native liquor together with the receptacles containing the same found either on premises occupied by, or in the possession or under the control of, any person not being duly licensed whom he has reasonable grounds for suspecting of having sold native liquor:

Provided that every such seizure and detention shall be forthwith reported to a Court having jurisdiction in the area in which such seizure is made.

17. A Court may order the forfeiture of any native liquor and of the receptacles containing the same, which may be found either on premises occupied by, or in the possession or under the control of, any person who is convicted of selling native liquor in contravention of these bye-laws.

Forfeiture of liquor.

18. In any proceedings relating to any offence under these bye-laws, it shall not be necessary to show that any money actually passed if the Court hearing the case be satisfied that a transaction in the nature of a sale actually took place.

Transactions in the nature of sales.

19. If any person being the manager for, or the servant of, or authorised to act for, a person being the holder of a licence, does any act or thing, or is guilty of any omission which if done or omitted by the licence-holder, both such person and the licence-holder shall be guilty of that offence and, on conviction therefor, liable to the penalties prescribed by these bye-laws, for such offence, whether such act, thing or omission was done or made with or without the knowledge or consent of the licence-holder.

Responsibility for acts of servants or agents.

20. (1) Every conviction under these bye-laws of a licence-holder shall be endorsed on his licence by the Court and the licence-holder shall produce his licence to the Court for such purpose.

Endorsement of licence.

(2) Whenever a licence-holder is convicted of an offence the Court may, in addition to any other penalty cancel his licence.

(3) Every applicant for the renewal of a licence shall if so required by the Council produce that licence for inspection.

(4) In the case of a renewal of a licence all convictions endorsed on such licence in respect of offences during the two years preceding such renewal shall be transferred to the renewed licence.

(5) Any person who—

(a) fails, refuses or neglects to produce his licence as required by these bye-laws, or

(b) without proper authority obliterates or alters a licence or any endorsement thereon;

shall be guilty of an offence and liable on conviction to a fine not exceeding twenty-five pounds or in default of payment to imprisonment not exceeding two months.

21. Any person who contravenes or fails to comply with any of the provisions of these bye-laws or any conditions endorsed on a licence shall be guilty of an offence and where no special penalty is provided therefor he shall be liable, on conviction, to a fine not exceeding twenty pounds or in default of payment to imprisonment not exceeding two months.

General penalty.

22. The penalties imposed under these bye-laws shall be imposed by a Magistrate's Court or a Native Court or a Customary Court,

Jurisdiction.

(E.R. No. 26 of 1955)

THE LOCAL GOVERNMENT COUNCILS (MEMBERS'
MAXIMUM ALLOWANCES AND OUT-OF-POCKET
EXPENSES) ORDER, 1959

(Date of Commencement: 1st April, 1959)

In exercise of the powers conferred on the Minister by section 36 (1) of the Eastern Region Local Government Law (E.R. No. 26 of 1955) the following order is hereby made.

1. This order may be cited as the Local Government Councils (Members' Maximum Allowances and Out-of-Pocket Expenses) (Brass Division) Order, 1959, and shall come into operation on 1st April, 1959.

Citation and
date of
commence-
ment.

2. In this order:—

Definition.

"Council" means District Councils within the Administrative area of Brass Division;

"amount" means amount of allowance or amount of out-of-pocket expenses or both;

"Law" means the Eastern Region Local Government Law, 1955;

"member" means a member of a Council within the administrative area of Brass Division;

"Schedule" means the Schedule to this order.

B 1324

Maximum amounts payable for ordinary meetings.

3. (1) For attendance at an ordinary meeting of a Council, a Council may pay a member an amount not exceeding the maximum in the Schedule:

Provided that a Council shall not pay any one member for more than twelve attendances in any one financial year.

(2) For attendance at an ordinary meeting of a committee of a Council, a Council may pay a member an amount not exceeding the maximum in the Schedule:

Provided that a Council shall not pay any one member for more than twelve attendances in any one financial year.

Maximum amounts payable for extraordinary meetings of a Council.

4. (1) In addition, for attendance at an extraordinary meeting of a Council, a Council may pay a member an amount not exceeding the maximum in the Schedule:

Provided that a Council shall not pay any one member for more than six attendances in any one financial year.

(2) In addition, for attendance at an extraordinary meeting of a committee of a Council, a Council may pay a member an amount not exceeding the maximum in the Schedule:

Provided that a Council shall not pay any one member for more than six attendances in any one financial year.

Maximum amounts payable on Council business.

5. In addition, for each day spent by a member on Council business by authority of a prior resolution of a Council, a Council may pay, as if each day so spent was attendance at a Council meeting, a member an amount not exceeding the maximum in the Schedule.

6. When a member of a Council attends Council business outside the Division in which the area of authority of the Council lies by authority of a prior resolution of the Council and Council transport is not provided, he may claim 1s per mile, if he uses his own car, otherwise he is entitled to Government First-class transport rates. In addition, if the business entails the member's absence from home for one or more nights, he may be paid an allowance of £1 1s per night. The allowances payable under this paragraph shall be an alternative to the allowance payable under paragraph 5.

Amounts payable to Chairman.

7. In addition to amounts payable under section 28 of the Law, a Council may pay to its Chairman any permitted amounts under this order, except any amounts permitted by paragraph 5 of this order.

Restriction of operation of E.R.L.N. No. 230 of 1955 and E.R.L.N. No. 263 of 1959.

8. The Local Government Councils (Members' Maximum Allowances and Out-of-Pocket Expenses) Order, E.R.L.N. No. 230 of 1955 and the Local Government Councils (Members' Maximum Allowances and Out-of-Pocket Expenses) (Amendment) Order E.R.L.N. No. 263 of 1959 shall cease to apply to the District Councils within the administrative area of Brass Division.

(*E.R. No. 26 of 1955*)

THE ASA RURAL DISTRICT COUNCIL
(MATERNITY FEES) BYE-LAWS, 1959

(*Date of Commencement: 1st December, 1959*)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955 the following bye-laws have been made by the Asa Rural District Council.

Citation and commencement.

1. These bye-laws may be cited as the Asa Rural District Council (Maternity Fees) Bye-laws, 1959, and shall come into operation on a date to be fixed by the Minister of Local Government.

Definitions.

2. In these bye-laws:—

“the Council” means the Asa Rural District Council;

“Maternity Ward” means a Maternity Ward established and maintained by the Council.

Fee.

3. (1) Any person desirous of availing herself of the maternity services provided by the Council shall pay a fee of seven shillings and sixpence to the midwife in charge of any Maternity Ward.

(2) Such fee shall entitle the payer to the full course of treatment including ante-natal treatment for a period not exceeding six months before confinement and delivery at a Maternity Ward and post-natal treatment for a period not exceeding three months following delivery.

(3) Such treatment may be claimed by the payer at any Maternity Ward and the payer may, if she thinks fit, transfer from one ward to another during her treatment.

4. Any person who is attended by a midwife in charge of a Maternity Ward when delivering at her house or at any place other than a Maternity Ward shall pay a fee of seven shillings and sixpence in addition to the fee laid down by paragraph 3 of these bye-laws.

Extra fee for domiciliary treatment.

5. (1) The midwife in charge of a Maternity Ward shall give an official receipt for each fee paid to her and shall record the name of the payer, her address and the number of the receipt given to her with date of such payment in a register to be kept for that purpose.

Receipt for fee.

(2) The midwife shall keep a record of any treatment given by her.

(3) Upon a request being made for the purpose of transferring from one Maternity Ward to another the midwife shall give the person transferred a copy of the record of any treatment given to her.

6. It shall be in the discretion of the midwife to waive the payment of fees in the case of pauper patients. A record of all such exemptions will be kept in a register provided for the purpose and every entry must be countersigned by the Chief Executive Officer of the Council, and approved by the Chairman.

Exemption pauper patients.

MADE by resolution of the Asa Rural District Council the 27th day of July, 1959.

THE ABAKALIKI URBAN DISTRICT COUNCIL (BUILDING)
BYE-LAWS, 1958

(Date of Commencement: 19th November, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955, the following bye-laws have been made by the Abakaliki Urban District Council.

Citation and commencement.

1. These bye-laws may be cited as the Abakaliki Urban District Council (Building) Bye-laws, 1958, and shall come into operation on a day to be fixed by the Minister of Local Government.

Definitions.

2. In these bye-laws:—

“approved” means approved by the Council;

“Council” means the Abakaliki Urban District Council;

“dangerous building” means a building or anything attached to a building in such a state as to cause risk or injury either to the occupiers of such building or any neighbouring building or to the public;

“engineer” means the principal official of the Council charged with the responsibility of looking after buildings within the area of the authority of the Council;

“health officer” means a Medical Officer of Health or a person duly authorised by him for any purpose of these bye-laws;

“new building” includes, for the purposes of these bye-laws:—

Cap. 183.

(a) the re-erection, wholly or partially, of any building pulled down to or below the top of the ground floor, or of any frame building of which only the framework is left down to or below the top of the ground floor;

(b) the re-erection, wholly or partially, of any building of which an outer wall is pulled down to or within ten feet of the surface of the ground adjoining the lowest storey of the building, and of any frame building so far pulled down as to leave only the framework of the lowest storey or part of such framework;

(c) the conversion into a dwelling house of any building not originally constructed for human habitation, or the conversion into more than one dwelling house of a building originally constructed as one dwelling house only;

(d) the reconversion into a dwelling house of any building which has been discontinued as or appropriated for any purpose other than that of a dwelling house;

(e) the making of any addition to an existing building by raising any part of the roof, by constructing or altering a wall, or making any projection from the building, or making any other structural alteration to the building but so far as regards the addition or alteration only, and

(f) the roofing or covering over of an open space between walls or buildings;

“owner” and “occupier” have the meanings assigned to these terms in the Assessment Ordinance;

“pulled down” means in relation to a building or a wall taken down, or burnt down, or fallen down by reason of decay or otherwise;

“structural alteration” includes all works involved in the extension, alteration and repair of a building.

New
buildings.

3. (1) No new building shall be erected within the area of the authority of the Council until plans of the proposed building together with a block plan showing the position of other buildings and erections on the same and immediately adjoining plots and a description in writing of the building materials and drainage have been submitted to the Council and the approval of the Council thereto obtained.

(2) Plans of the proposed building shall be drawn to a scale of not less than one-eighth of an inch to one foot; and block plans to a scale of not less than one inch to forty feet. Such plans shall specify what rooms in the proposed new building are intended for residential and non-residential purposes.

(3) Plans and descriptions of buildings, including the drainage and details of materials to be used, shall be submitted in triplicate to the Council drawn in ink and on durable material to the satisfaction of the Council. If the plan is approved two copies will be returned to the applicant with the approval of the Council endorsed thereon. No plan shall be approved by the Council unless the health officer shall first have endorsed the plan as suitable for approval.

(4) There shall be charged in respect of any plan submitted in accordance with paragraph 3 (1) a registration fee of ten shillings, provided that if any plans are returned to the owners for amendment there will be no additional charge.

(5) In lieu of preparing plans intending builders may apply to the Council for permission to erect an approved type of house, for a copy of a plan of which there shall be charged a fee of five shillings.

4. (1) Not more than one-third of the area of a residential plot and not more than two-thirds of the area of a non-residential plot shall be built upon. No residential plot shall have a total area of less than 4,000 square feet or a frontage of less than 40 feet.

Restrictions
on size of
building.

(2) If eaves, canopies or balconies extend more than two feet beyond the outer surface of a wall, then for the purpose of this bye-law the area resulting from such extension shall be included in the area deemed to have been built upon.

(3) No building shall be built in front of the approved building line and no portico, porch, verandah step or other like projection shall project beyond the building line of any public street upon which a building may front.

5. (1) Every single storey building shall have a clear space free from any erection whatsoever of not less than 5 feet and every two-storey building a clear space free from any erection whatsoever of not less than 7 feet 6 inches between it and the boundary of the plot. In the case of any building of more than two storeys there shall be a clear space free from any erection whatsoever of not less than 4 feet from each storey between it and the boundary of the plot.

Clear spaces.

B 1380

(2) There shall be a clear space free from any erection whatsoever of not less than ten feet between one building and any other building on the plot and in the case of a two or more storied building such space between it and any other building whether on the same or on any adjoining plot shall be not less than 15 feet.

(3) Balconies shall not project over the clear free spaces permitted by this bye-law.

Eaves.

6. The maximum projection of eaves at the sides of buildings where the minimum space of 5 feet is left between the buildings and the boundary shall be one foot. Where the space exceeds 7 feet 6 inches, 3 feet projection will be allowed. The maximum projection at the front and rear of building shall be 5 feet. In no case shall eaves be lower than 6 feet 6 inches from the ground level or lower than the level of the top of the ground level or lower than the level of the top of windows.

Clearing of site.

7. (1) The site on which any new building is to be erected shall be cleared, levelled and drained to the satisfaction of the council, and the health officer.

(2) No new building shall be erected on a site filled up with animal, vegetable or other offensive matter until the same has been removed or destroyed and the site has been approved for building purposes by the health officer.

(3) Every intending builder shall cause the foundations of the building and the limits of the site to be clearly defined on the ground by means of pegs before approval to build is obtained. Any person who moves such pegs without the approval of the Council shall be guilty of an offence.

(4) No drain shall be so laid or constructed for the purposes of a new building that when such building is erected the drain shall pass through or under it.

Wells.

8. (1) After consultation with the Health Officer the Council may dig any wells in any area where a pipe borne water supply is provided.

(2) No person shall dig a well in such an area without the approval of the Council in writing.

(3) Wells sunk in premises where an offensive trade is being carried on shall not be used for any purpose other than that of such trade.

Scaffolding, etc.

9. The builder shall ensure that—

(a) any scaffolding provided shall be of such structure and material as to ensure the safety and the protection of its users and of the public.

(b) all centering to arches and lintels shall be strongly constructed of sound timber with proper struts and folding wedges for stocking. No arches over 6 feet shall be struck until permission to do so has been obtained from the engineer.

Materials.

10. The materials which may be allowed in the construction of walls shall be as follows:—

(a) wood;

(b) brick;

(c) stone;

(d) mud including sun dried mud blocks;

- (e) concrete or other materials specially approved. Mud walls shall be faced externally and internally with a layer of cement mixture, prepared in the proportion of one part of cement to not more than five parts of sand, at least half an inch thick or otherwise rendered damp and ant-proof to the satisfaction of the engineer.
- (f) concrete or other materials specially approved.

11. (1) Foundations shall be of the minimum dimensions given in the following table:— Foundations.

<i>Thickness of wall</i>	<i>Vertical Measurements of foundation from bottom to trench</i>	<i>Width of foundation</i>	<i>Minimum depth of top of foundation below ground</i>
<i>Inches</i>	<i>Inches</i>	<i>Inches</i>	<i>Inches</i>
4	6	10	12
6	9	12	12
9	12	18	15
12	12	24	18
13½	15	27	18
18	18	36	24

(2) Foundations for buildings shall be of cement concrete mixed in the proportions of six parts clean aggregate, three parts clean sharp sand and one part cement.

(3) No foundation trenches shall be back-filled and no building shall be carried on beyond the damp proof level until it has been inspected by the Council and approval given in writing for the building to continue.

12. The level of the ground floor of every building shall be at least six inches above the level of the highest ground adjoining except in the case of timber floor when the level shall be twelve inches above the highest adjoining ground. Floor level.

13. (1) Unless otherwise approved, the whole ground surface within the external walls, and in the case of wooden buildings to six inches beyond the external walls shall be concreted over its entire surface, to a minimum depth of four inches. Floors.

(2) Rooms with wooden floors shall be provided with adequate ventilation beneath floors. All ventilation holes and all cavities shall be made rodent-proof.

14. (1) All walls shall have an adequate damp-proof course. Walls.

(2) Double walls are prohibited except in the case of walls built of permanent rodent-proof material. In this paragraph the expression "double walls" means walls of such construction as will include cavities in the walls liable to harbour rodents or other vermin.

15. Every room intended or used for human habitation shall have a floor area of at least one hundred and forty-four square feet. Every such room shall have a width of not less than eight feet and a minimum height measured from floor to ceiling of not less than ten feet. No room shall be constructed wholly or partly in the roof. Size of rooms.

B 1382

Ventilation.

16. (1) All buildings shall have adequate through and through ventilation.

(2) If windows or a window and door, are not placed on opposite sides of a room or passage, or at opposite ends of a passage, there shall be provided on the wall of such room or passage opposite each window or door, a ventilator having a clear area of one-sixteenth of the floor area of the room.

(3) All rooms shall contain at least one window opening into the external air, and the area of such window or windows exclusive of sash frames shall be not less than one-eighth of the floor area of the room.

(4) Every window shall be constructed so that one half at least may be opened and so that the opening may extend in every case to the top of the window which shall be at least seven feet above the floor level of the room.

Roofs.

17. (1) No roof shall be constructed, covered with, renewed or repaired with thatch or other inflammable material save with the approval of the Council.

(2) Any building in respect of which the Council has given approval under sub-paragraph (1) shall be built so that the extremities of its eaves are at least fifteen feet clear of the extremities of the eaves or any other part of any other building.

(3) No rain gutters shall be permitted except with the approval of the Council and the Medical Officer of Health. All drainage of rain water from roofs or other surfaces shall be disposed of in concrete channels and in such manner as not to cause damage to any drain or road or any other thing maintained by the Council or other person.

**Rafters,
joists, etc.**

18. (1) All rafters, purlins, beams, struts, plates, joists, bresssummers, lintels and all other timbers shall be of sound, well-seasoned wood, properly squared and framed together and securely fixed to the satisfaction of the engineer:

Provided that if any building does not exceed one storey in height and the roof thereof is not of greater span than twenty-five feet, unseasoned timber may be used, but no such timber shall be of less dimension in any part than three inches, and all rafters of such unseasoned timber shall be laid and securely nailed at distances of not more than eighteen inches apart, measured from centre to centre.

(2) All timber rafters, purlin and joists shall be of the following minimum dimensions:—

- (a) if the member does not exceed six feet in clear bearing, four inches in depth and two inches in thickness;
- (b) if the member exceeds six feet and does not exceed seven and a half feet in clear bearing, five inches in depth and two inches in thickness;
- (c) if the member exceeds seven and a half but does not exceed nine feet in clear bearing, six inches in depth and two inches in thickness;
- (d) all members exceeding nine feet in clear bearing shall have a minimum thickness of three inches and a minimum depth equal to half an inch for every foot of clear bearing plus two inches;

(e) joints falling within the clear bearing of any member shall not be allowed except with the special approval of the engineer.

19. In the case of boarded ceilings access shall be provided to the space between the ceiling and the roof by a trap door of not less than twenty-four by fifteen inches.

Ceilings.

20. Every flight of stairs in a staircase shall be properly constructed of sound and suitable material and be securely fixed and of adequate strength and comply with the following requirements:—

Staircases.

(a) the risers shall be not less than eight inches in width measured horizontally from face of riser to face of riser, and not more than nine inches in height measured vertically from top of tread to top of tread;

(b) all staircases, landings and passages shall be provided with adequate light and ventilation.

21. (1) Every residential plot shall have adequate latrine accommodation, and no salgas shall be permitted save with the approval of the Council and the health officer. No latrine other than a water closet shall be constructed within a distance of six feet from any room intended for human habitation, or for the consumption of food, or from any kitchen, pantry or place intended for the storage of food. All earth closets shall be adequately ventilated and provided with approved withdrawal arrangements. The floor of every earth closet shall be flagged or paved with cement or other non-absorbent material and the entire surface of the floor of such closet shall be so constructed as to be not less than six inches above the level of the ground adjoining. The floor of earth closets of the squatting plate type shall have a fall towards the opening in the squatting plate of at least half an inch to the foot. The minimum dimensions of all earth closets and wash places shall be five feet by four feet and six feet by four feet respectively. Every earth closet shall contain a suitable movable receptacle and shall have at all times an adequate supply of earth or sawdust or other deodorising substance.

Latrines.

(2) Latrines and bathrooms of the dimensions set out in subparagraph (1) must be provided for every four living rooms or multiple thereof.

22. In paragraphs 23 to 45—

“anti-syphonage” means any special pipe provided to prevent trap syphonage back pressure;

“effluent drain” means the drain conveying the discharge from a septic tank;

“private sewage system” or “installation” means an installation of a septic tank for sewage with the necessary connection drains;

“soil drain” means that part of the main horizontal drain and its branches conveying the discharge from the soil pipe to the first compartment of the septic tank;

“soil pipe” means any vertical line of pipes extending through or above the roof receiving the discharge from any fitting, such as a water closet or urinal, and connected to the soil drain;

“storm water drain” means that part of any drainage system, whether surface or underground receiving rain-water discharge from roofs, yards or other open space but not slops, bath water, sewage or other deleterious fluid;

Sewage
Installations.
Definitions.

“waste water drain” means that part of any drainage system conveying the discharge from any waste water pipe connected to lavatory basins, baths, sinks and kitchen sinks and similar fittings.

Approval to construct sewage system.

23. Any person wishing to construct a private sewage system shall apply in writing to the Engineer for the approval of the Council before proceeding with any works for that purpose.

The approval of the Council shall not be given unless the health officer shall have first endorsed the application as suitable for approval.

Submission of plans, etc.

24. (1) The application shall describe the drainage system which it is desired to construct and shall supply the information required upon a form to be obtained from the office of the Engineer, which form shall be signed by the owner of the building concerned or his accredited agent, and shall be accompanied by:—

(a) a block plan drawn to a scale of not less than one inch to forty feet showing the following particulars:—

(i) Situation of the property with the buildings thereon for which the system is required and their relation to the adjoining road.

(ii) The name of such road and the number if any, of the building.

(iii) The sizes and levels of the drains, whether existing or proposed, and the general layout of the system indicating the positions of inspection chambers, tanks, gullied and vent pipes.

(b) Working drawings to a scale of not less than one inch to eight feet, clearly indicating the nature and position of each sanitary fitting and of every pipe connected with the installation. The size and grading of each pipe shall be shown and such further details and particulars as shall enable the Council to decide whether the proposed sewage system will comply with the provisions of these bye-laws.

(2) The plans and drawings and the application form shall be signed by a registered surveyor or any authority acceptable to the Council.

(3) All drawings submitted to the Engineer under these bye-laws shall be in triplicate, two copies being for the Council, which copies shall be drawn in ink or printed on tracing linen or linen backed paper or printing linen. The third copy may be drawn or printed on cartridge paper or other suitable material and shall after approval, be returned to the applicant who shall keep such copy available for inspection upon the site during the progress of the work.

Inspection of work.

25. Every person who shall execute any work under these bye-laws shall at all reasonable times afford the Engineer or his representatives and the health officer free access to such work for the purpose of inspection.

Notwithstanding any such inspection, or in the event of no such inspection taking place, the applicant shall nevertheless at all times be held responsible for the due observance of these bye-laws.

Testing.

26. (1) No part of any private sewage installation shall be covered in until it has been tested to the satisfaction of the Engineer and the health officer and at least two days' notice in writing shall be given by the applicant to the Engineer when the installation is ready for testing.

If any part of such installation is covered without such notice, the Council may uncover the work at the expense of the owner of the building concerned.

Electrical
for
first

(2) All testing shall be carried out by the Council. No charge will be made for the first test, but for any subsequent test or tests, that the Engineer may consider necessary a charge of five shillings per test up to a maximum of two pounds shall be made for each test.

(3) The entire house drains with all their branches shall be tested with smoke and all soil drains shall be subject to a water test.

Should the pipes be found free of defects and leaky joints, the work shall be considered satisfactory.

(4) When the plumbing system is completed and the fixtures are installed, the contractor or other person responsible for the work shall make arrangements for a final inspection by the Engineer and the health officer.

Should there be any doubt as to the tightness of any fixture connection, the Council shall have power to order a smoke test, which shall be carried out as follows:

The smoke machine shall be connected to any suitable outlet in the system. When the system is completely filled with pungent smoke, and the openings omit smoke, they shall be closed and air pressure equivalent to one inch head of water applied and left standing for ten minutes.

If there is no leakage or forcing of trap cells, the system shall be considered air and gas tight.

(5) Nothing in this bye-law shall be construed as prohibiting the removal of any "clean out" or the unsealing of any trap to ascertain that the smoke has reached all parts of the system.

(6) The contractor shall provide all labour for testing. All outside drains must stand the smoke test without leaking. All pipe installations inside the building and all tanks must be such as to stand any hydraulic pressure which can occur due to stoppage in any part of the system.

27. No alteration of or addition to any building shall be made which will cause any part of a private sewage system connected therewith to contravene these bye-laws.

Alteration of building with respect to sewage system.

28. No alteration of or addition to any private sewage system shall be made without the approval of the Council. The approval of the Council shall not be given without the prior approval of the health officer.

Alteration.

29. All portions of any private sewage system which cease to be required in connection therewith, or which cease to be required in consequence of the installation of a new private sewage system, shall be removed by the owner of the building concerned, and such owner shall cause all foul sub-soil to be carefully taken away and replaced with earth or clean building rubbish.

Disused portions of systems to be removed.

30. (1) Where the Engineer and the health officer are satisfied that an efficient and safe soakaway system can be installed, it shall be permissible to pass the effluent from a septic tank into the soil either direct or through an erection filter at the discretion of the Engineer and the health office. Such aeration filter shall include provision of one third of a cubic yard of filtering material for each of the persons which the premises concerned may reasonably be expected to be capable of accommodating.

Disposal of drainage.

Require-
ments with
regard to
pipes,
ventilation.

(2) No storm water or waste water drains shall be connected with the system:

Provided that the connection of waste water drains to the final compartment of a septic tank may be permitted.

31. (1) All underground pipes shall be made of impervious and non-absorbent material, such as glazed stoneware, and shall have perfectly smooth internal surfaces and be accurately shaped.

(2) The internal diameter of drain pipes and traps shall not be greater than is required for their work, but shall not in any case be less than four inches.

(3) Every drain shall be laid in straight lines from point to point, and all junctions shall be made obliquely at an angle of not more than sixty degrees and in the direction of the flow.

(4) Every pipe-line shall be laid to a through gradient throughout its length so as to give a fall from the base of the soil pipe to the septic tank as follows:

Four-inch pipes at least one foot in sixty feet.

Six-inch pipes at least one foot in eighty feet.

Nine-inch pipes at least one foot in one hundred and twenty feet.

(5) When required by the Engineer, every drain pipe shall be solidly bedded throughout its length in cement concrete at least four inches thick and extending not less than three inches on each side of the pipe. The spigots and sockets in all joints shall be closely fitted and set in cement or other impervious material and carefully wiped smooth inside the pipe.

(6) Every drain shall be properly ventilated. Every inlet to any drain not being an inlet suitable for ventilation of such drain, shall be properly trapped with water.

(7) In cases where sub-soil water is met with, the drain shall be constructed with cast iron, stoneware or asbestos cement of an approved make incased in six inches of cement concrete.

Inspection
Chambers.

32. (1) Inspection chambers constructed of granite concrete or other approved material shall be built at each of the following places:—

(a) at intervals not exceeding one hundred feet in every straight length of drain;

(b) wherever the direction of the drain changes;

(c) wherever a junction with another drain is formed; and

(d) at the outlet from a septic tank.

(2) Such chambers shall be of adequate internal dimensions giving a clear width of at least two feet opposite the mouth of the drain connection for a depth of less than three feet and at least three feet clear for a greater depth.

(3) The sides and inverts of all chambers shall be fitted with covers of an approved material and design.

(4) Covers shall be level with or above the surface of the ground in which they are placed.

(5) Dead ends of all drains shall be provided with cleaning eyes or inspection chambers.

33. (1) No drain forming part of a private sewage installation shall pass under any building without the consent in writing of the Engineer.

Drains under buildings.

(2) Where such consent is given—

- (a) the pipes shall be of cast iron of standard thickness or asbestos cement pressure pipes of an approved make;
- (b) all joints in cast iron pipes shall be caulked with lead, and joints in asbestos cement pipes shall be on an approved type;
- (c) the drain shall be laid in a direct line for the whole distance beneath the building; and
- (d) adequate means of access shall be provided at each end of the drain.

34. (1) In any installation the whole of the crude soil including discharge from water closets, urinals and any fittings from which excreta is conveyed, shall pass through a properly ventilated pipe system into the first compartment of a septic tank.

Septic tanks

(2) All septic tanks shall be constructed in such a position in the site as the Council as advised by the health officer shall decide, but in no case shall the septic tank be constructed within a distance of ten feet of a dwelling house or of any room used or intended for the storage, preparation or consumption of food.

(3) All septic tanks shall be built at such a level that flooding of the septic tanks by subsoil or tidal water is impossible.

(4) All septic tanks shall be water-tight, and constructed of—

- (a) cement and granite concrete, reinforced where necessary in the opinion of the Engineer; or
- (b) glazed stoneware or other impervious material.

(5) The capacity of septic tanks shall be designed according to the number of persons which the premises concerned may reasonably be expected to be capable of accommodating, as follows:—

- (a) for not exceeding ten persons four cubic feet per person;
- (b) for not exceeding fifteen persons 3.5 cubic feet per person;
- (c) for exceeding twenty persons 2.5 cubic feet per person.

(6) All septic tanks that shall be of a minimum depth of four feet shall be designed that they consist of not less than two compartments, the total length being at least four times the width. The length of the first compartments, shall be more than half of the total length of the septic tank. The floor of all septic tanks shall be built to a gradient of 1.20 sloping downwards towards the inlet.

(7) All septic tanks shall be provided with a desludging valve and penstock, the valve to be located in a chamber effectively protected against the ingress of water and potential mosquito breeding:

Provided that the requirements of this paragraph may be dispensed with where a septic tank is installed in a dwelling house if in the opinion of the Engineer and the health officer the provision of a desludging valve and penstock is unnecessary.

Applicants shall furnish plans with such specifications and particulars therein as may be required. Such plans shall be approved by the Engineer and the health officer prior to approval by the Council.

Plans.

Soil pipes.

35. (1) All soil pipes shall be formed of iron or asbestos cement of an approved make, smooth and free from obstructions, with proper gas-tight joints. Every soil pipe shall be fitted securely to prevent sagging and so that it may be readily accessible, and carried up without diminution of its cross section with as few bends as possible to at least two feet above the roof and to at least three feet above any window, air shaft or other opening within twenty feet of such soil pipe. It shall terminate in as exposed a situation as possible and shall be protected at the top by a domed wire grating.

(2) Every fitting connected to a soil pipe shall be efficiently trapped in or closed to such fitting before being connected to the main pipe, and in the case of any installation in which more than one such fitting is connected to one main vertical pipe, anti-syphonage pipes of adequate size shall be installed behind each trap and carried up to at least three feet above the highest fitting before being connected to the main ventilating pipe.

(3) All iron piping forming part of any installation shall be covered internally with approved anti-corrosive protection.

Size of soil pipe.

36. (1) No soil pipe shall be larger than is necessary for the work it has to do, but it shall be not less in any case than three and a half inches diameter for buildings of not more than three storeys, and four inches for building having more than three storeys.

(2) The weight of iron piping per foot shall not be less than the following:—

<i>Diameter</i>	<i>Iron</i>
3½ inches	8 lb.
4 inches	9 lb.

(3) All soil pipes shall have a minimum thickness of one quarter of an inch and shall withstand hydraulic pressure of fifty pounds per square inch.

(4) The internal diameter of the anti-syphonage pipe to any closet shall be not less than two inches.

Water closet.

37. (1) Every water closet shall be furnished with—

- (a) a basin or other suitable receptacle of non-absorbent material of an approved type and pattern.
- (b) a suitable apparatus for application of water to the basin for the effectual cleaning of such basin and for the prompt and effectual removal therefrom and from the trap connected therewith of any solid or liquid filth which may from time to time be deposited therein.
- (c) a cistern of the valveless type for the purpose of flushing which shall be separate and distinct from any cistern used for domestic purposes and shall be constructed, fitted and placed so that there shall be no direct connection between any service pipe upon the premises and any part of the apparatus of the water closet other than such flushing cistern. Such flushing cistern shall be constructed so as to discharge completely and to refill rapidly and shall be provided with a "tale-tale" overflow pipe discharging in a conspicuous position.

(2) A low-level cistern shall have a capacity of three gallons and a high level cistern of two gallons. The type of fittings shall be specified on the drawings submitted in accordance with paragraph 24 and shall be subject to the approval of the Engineer.

Provided always that the foregoing requirements shall be deemed to be complied with in any case where the apparatus of the water closet is connected for the purpose of flushing with a cistern of adequate capacity which is used solely for flushing the water closet.

38. Every pipe and union connection of such flushing cistern with the basin or other receptacle with which the water closet may be provided shall be so constructed that such pipe and union shall not in any part have an internal diameter of less than one and one-quarter inches, or such greater diameter as the Engineer may direct having in view the level at which the cistern is fixed.

Connection of cistern to basin.

39. (1) The whole of the work in connection with any private sewage installation shall be executed with the best materials of their several kinds available and drains laid in accordance with the approved plans, and all works shall be done to the satisfaction of the health officer and the Engineer or other officer deputed by him to inspect the work.

Materials and execution of work.

(2) The whole of the installation shall be rendered mosquito-proof to the satisfaction of the health officer.

40. The removal of sewage from septic tanks and the clearing of soak-aways shall, whenever necessary, be carried out by the Council or contractors on its behalf at the expense of the owner or occupier of the premises and such expense shall be a debt due to the Council by such owner or occupier.

Desludging and cleaning of septic tanks.

41. The owner or occupier of any premises in which a private sewage system is installed shall afford the health officer or the Engineer or his duly authorised representatives access at all reasonable times to such premises for the purposes of inspecting or carrying out work on any private sewage system.

Access to premises for inspection.

42. The owner of any premises shall maintain in a proper condition of repair and efficiency every private sewage system belonging to such premises.

Maintenance of installation.

43. The provisions of paragraphs 23 to 26 and 30 to 39 shall not apply to any system for which plans were approved and the work commenced before the coming into operation of these bye-laws :

Exemptions.

Provided that in the event of any alteration or addition to any such system being proposed the Council may in its discretion apply to the system any of the provisions of the remaining bye-laws in this part.

44. Any person responsible for a contravention or of failing to comply with any of the provisions of paragraphs 23 to 43 of these bye-laws shall be liable in respect of each offence to a fine not exceeding twenty-five pounds or in default of payment to imprisonment not exceeding two months:

Penalty.

Provided that any penalty imposed in pursuance of these bye-laws shall not affect the powers of the Council to alter or remove any installation which contravenes these bye-laws.

45. (1) Efficient means for disposal of domestic effluent shall be secured by suitable measures to the satisfaction of the health officer.

Domestic effluent.

(2) The floor of every bathroom and wash place shall be flagged or paved with cement or other non-absorbent material in such a manner as to prevent water or other fluid from being absorbed by the floor or walls.

B 1390

Kitchen.

46. No kitchen shall be erected with a thatched roof or grass sides, and the floor area of a kitchen shall be not less than 80 square feet which area shall be increased by sixteen square feet for each room served above the number of five:

Provided that nothing in these bye-laws shall preclude the building of a covered way roofed with non-inflammable materials between the kitchen and the main building.

Store rooms.

47. All store rooms shall be rodent-proof.

Completion of building.

48. Notice of commencement of and completion of the building shall be given in writing to the Council and no person shall let or occupy a new building unless the Council on the recommendation of the health officer has certified in writing that the building is in all respects fit for occupation.

Inspection.

49. A building shall during construction be open to inspection by the Council, Engineer, or a health officer, or any person duly authorised by any of them. A copy of the building plan as approved shall be kept upon the site and shall be available for inspection at all times during working hours. No alteration whatsoever from approved plans shall be made without the written approval from the Council acting in consultation with the health officer.

Building to be commenced within certain period.

50. If any work of which the plans have been approved by the Council is not commenced within twelve months or completed within eighteen months of such approval, the Council may, if it thinks fit, regard the plan as lapsed and call for new plans.

Repairs to existing buildings.

51. The approval of the Council acting in consultation with the health officer shall be obtained in every case before any repairs to a building involving structural alteration are commenced and the Council may at its discretion require the production of plans showing the proposed alteration.

Deviation from plans, etc.

52. The Council may in consultation with the health officer by endorsement on the plans referred to in paragraph 3 (3) permit, for the period of one year from the date of such endorsement such deviation from the plans and requirements of these bye-laws as will not preclude the completion of the building as originally approved.

Power of Council in relation to dangerous building.

53. If any building is deemed by the Council to be a dangerous building the Council shall immediately take sufficient means by fencing or otherwise for the protection of the public, and shall cause notice in writing to be served on the owner of such building if he is known and is residing within one day's journey from the place where such building is situated, and also on the occupier, if any, requiring such owner or occupier forthwith to take such action as shall be specified in the notice, and if neither the owner nor occupier shall comply with such requisition within four days after service of such notice on him or if no owner or occupier is found the Council shall cause such action to be taken as the Council may deem necessary to remove the danger; and all expenses of protecting the public and of taking such action as aforesaid shall be a debt due to the Council from the owner of the building.

doc...

54. (1) If no owner shall be found or appear and pay such expenses within six months after action has been taken by the Council in connection with a dangerous building the Council may cause the building and the site thereof to be sold to defray the said expenses.

Building may be sold for expenses.

(2) The rules of court relating to sales in execution of decrees shall *mutatis mutandis* apply to such sales:

Provided that no right of occupancy or any lease of Crown Land shall be sold under the powers conferred by this bye-law except with the consent of the Minister of Town Planning.

55. (1) If any work shall be executed contrary to these bye-laws or to any instructions thereunder the Council may by notice in writing require the person who has executed the work or has caused the work to be executed or the owner or occupier to remove the same or to make such alteration therein as may be specified in such notice, and if within the time specified in the notice the requisition of the notice is not complied with the Council may remove or alter the work as the Council may think proper.

Removal of work executed in contravention of these bye-laws.

(2) Any expense incurred by the Council in or about the removal or alteration of any work may be recovered as a debt from any of the persons upon whom such notice as aforesaid shall have been served.

56. Whenever any building or part thereof is taken down by virtue of any powers conferred by these bye-laws the Council may sell the materials thereof, or so much of the same as shall be taken down, and apply the proceeds of such sale in payment of expenses incurred in respect of such building, and the balance if any shall be placed on deposit in the Council's treasury to the credit of the owner of the building:

Material of building taken down may be sold.

Provided that the Council shall not thereby be deprived of any remedy for compelling the payment of so much of the said expenses as may remain due after the application of the proceeds of such sale as is hereinbefore given for compelling the payments of the whole of the said expenses.

57. Every occupier of land (other than a Government servant occupying Government land) or the owner of any unoccupied land or of land which is occupied under a tenancy from year to year or for any term shall if so required by the Council fence such land with such fence and in such manner as the Council shall approve, and shall at all times maintain such fence in good repair to the satisfaction of the Council.

Fencing of plots.

58. (1) The maximum height of fences around plots shall be six feet, except on plots on corners where two or more roads meet, where the fences shall be low enough to allow a clear vision round the corner to motor vehicle drivers.

Fences.

(2) Fences shall not be constructed of any material which will allow the harbourage of rodents.

(3) Live fences shall be kept properly trimmed.

(4) The Council may cause any fence, which after the commencement of these bye-laws shall be erected or raised beyond the prescribed height, to be taken down to that height and may recover the expenses as a debt from the owner or occupier.

59. Any person who—

(1) erects or causes to be erected any new building without the approval of the Council contrary to paragraph 3, or

- (2) digs or causes to be dug any well without the approval of the Council contrary to paragraph 8, or
- (3) fails to give notice of commencement of and completion of building or lets or occupies a new building before the Council has certified in writing that the building is in all respects fit for occupation contrary to paragraph 48, or
- (4) erects or causes to be erected any new building otherwise than in accordance with approved plans contrary to paragraph 49, or
- (5) undertakes or causes to be undertaken any repairs to a building involving structural alterations without the approval of the Council contrary to paragraph 51, or
- (6) erects or causes to be erected any fence around a plot higher than six feet or less at corners as provided in paragraph 58 or constructs or causes to be constructed a fence of a material which will allow the harbourage of rodents or neglects or refuses to keep any live hedge properly trimmed, contrary to paragraph 58

shall be guilty of an offence and liable on summary conviction without prejudice to any other penalties or provisions contained in these bye-laws to a fine not exceeding twenty-five pounds for each offence or in default of payment to imprisonment not exceeding two months.

E.R.L.N. No. 355 of 1959

PUBLIC NOTICE

The Eastern Region Local Government Law, 1955
(E.R. No. 26 of 1955)

THE EASTERN IBIBIO-IKONO DISTRICT COUNCIL
(MARKETS) BYE-LAWS, 1959

(Date of Commencement: 1st December, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955, the following bye-laws have been made by the Eastern Ibibio-Ikono District Council.

Citation and commencement.

1. These bye-laws may be cited as the Eastern Ibibio-Ikono District Council (Markets) Bye-laws, 1959 and shall come into operation on a date to be fixed by the Minister of Local Government.

Definitions.

2. In these bye-laws:—

“Council” means the Eastern Ibibio-Ikono District Council;
“the law” means the Eastern Region Local Government Law, 1955;
“markets” include the markets referred to in the first Schedule hereto.

Hours of opening.

3. The market shall be open from 6 a.m. to 7 p.m., on such days as the Council shall appoint.

Stallages. (Second Schedule).

4. Stallages and fees as set out in the Second Schedule to these bye-laws shall be paid by persons who carry on their trade or calling in the markets, at offices of the Council to the Market Master. No person other than the Market Master employed by the Council or any other person duly authorised by the Council, shall collect any tolls, stallages or fees in respect of the markets.

Stall licence.

5. (4) Any person not being a stall-holder in any of the markets may apply to the Council to occupy a stall in a market.

(2) Subject to payment of stallage as provided in paragraph 4, the Council may allocate, to a person so applying, a stall in any of the markets he or she wants and shall issue to him or her a licence, in the form in the Third Schedule, which shall be valid for as long as is stated thereon.

(3) Any person who sells or exposes anything for sale or who carries on his or her trade or calling within a market without being licensed shall be guilty of an offence.

Slaughtering on Council's slab.

6. Animals shall not be slaughtered in the market except on the Council's slaughter slab.

Dimensions and spacing stalls.

7. (1) No stall shall be built without the previous approval of the Council.

(2) No stall shall exceed the dimensions of 100 feet in length and 12 feet in breadth and there shall be a space of not less than 10 feet between any two stalls.

Sale of specified good in stalls.

8. It shall be at the discretion of the Council to specify the class of goods which may be sold in any stall.

“Vault” shall include...

B 1430

- (4) is found within the market between the hours of 7 p.m. and 6 a.m. other than a duly authorised watchman or labourer, without lawful excuse, the onus of proof of which shall lie on the person charged; or
- (5) slaughters an animal in any place in the market other than in a place allotted for it; or
- (6) exposes meat for sale in any part of the market other than the allocation set aside by the Council for the purpose; or
- (7) builds any stall without the previous approval of the Council and in accordance with the specifications stated in paragraph 6 of these bye-laws; or
- (8) sells any goods in a stall other than that specified by the Council; or
- (9) places any basket, box, case or other articles in alleys or passages of the market; or
- (10) places any board, basket or other thing so as to project over the line of frontage of an adjoining stall or stand or beyond the limit of the space allotted to him; or
- (11) causes any obstruction in the market or in any of the roadways, passages or approaches thereof; or
- (12) being a stall-holder or a person in charge of a stall fails to keep the same in a clean condition to the satisfaction of the Council; or
- (13) deposits any refuse in any place in the market other than a receptacle provided by the Council for that purpose; or
- (14) commits a nuisance in the market; or
- (15) rides a bicycle or drives a car or lorry or any other vehicle into the market between the hours of 6 a.m. and 7 p.m.; or
- (16) fails to obey the directions of the Council for the purpose of preserving order and regularity in the market; or
- (17) plays Okporo, Ukara Idem, Ekpo Ekong, Obon, Uta, Nka Iban, or Offiong in the market without the prior approval of the Council in writing; or
- (18) shoots any gun or fires any arms or carries any matchet or other weapon in the market for the purpose of any traditional play or ceremony,

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding one pound or in default of payment to imprisonment not exceeding seven days for each and every such offence.

Penalty for unlawful subletting.

21. Any person who without the approval in writing of the Council sublets any stall allocated to him shall be guilty of an offence and shall be liable on conviction to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month.

Jurisdiction.

22. The penalties provided in paragraphs 20 and 21 may be imposed by a Native Court or a Customary Court or a Magistrate's Court.

Revocation of E.R.L.N. Nos. 197 of 1955 and 115 of 1957.

23. The Ikpe and the Ukpom Local Councils (Markets) Bye-laws, 1955 and 1957, respectively, published as Eastern Regional Notices Nos. 197 of 1955 and 115 of 1957 are hereby revoked within the area of authority of the Eastern Ibibio-Ikono District Council.

PUBLIC NOTICE

The Eastern Region Local Government Law, 1959
(E.R. No. 26 of 1955)

THE IGBO-ETITI DISTRICT COUNCIL (ALIENATION
OF LAND) BYE-LAWS, 1959

(Date of Commencement: 1st December, 1959)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955 the following bye-laws have been made by the Igbo-Etiti District Council.

Citation and commencement.

1. (1) These bye-laws may be cited as the Igbo-Etiti District Council (Alienation of Land) Bye-laws, 1959 and shall come into operation on a date to be fixed by the Minister of Local Government.

(2) These bye-laws shall not apply to any transaction concerning land completed before the coming into operation of these bye-laws; nor to any transaction concerning land to which the Native Lands Acquisition Ordinance or Acquisition of Lands by Aliens Law, 1958, applies.

Definitions.

2. In these bye-laws:—

“area” except where the context otherwise requires, means the area of the authority of the Igbo-Etiti District Council;

“Council” means the Igbo-Etiti District Council;

“native of the area” means any person who is eligible by local customary law to inherit land or the use of land within the area;

“registration clerk” means the person appointed by the Council to be registration clerk for the purpose of these bye-laws;

“transaction concerning land” means any sale, lease, gift, *inter vivos*, mortgage, pledge or other transaction whereby an interest in land or any trees thereon situate within the area passes.

Prerequisites of transaction concerning land.

3. (1) Before any transaction concerning land is entered into between a native of the area and a person not a native of the area or between two persons not natives of the area the parties thereto shall:—

(a) appear in person before the Council and announce in public their intention of entering into such a transaction;

(b) state the precise nature of the transaction and the terms and conditions applicable thereto;

(c) give description of the land sufficient to enable it to be identified to the satisfaction of the Council.

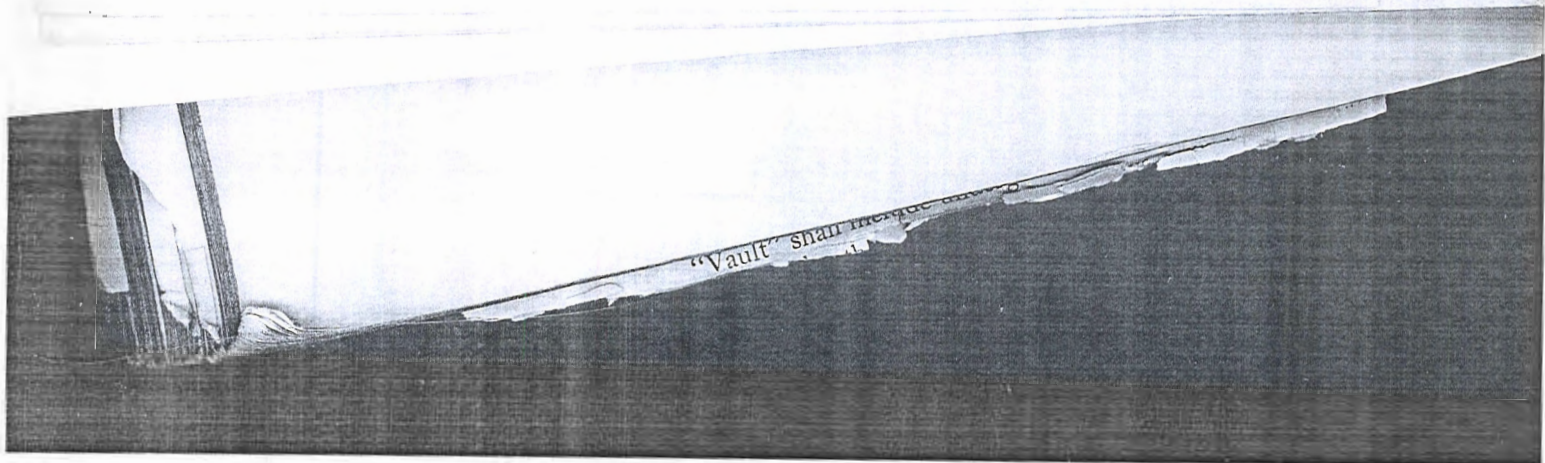

(2) The Council shall record in writing in a book kept for the purpose the particulars given by the parties under the preceding sub-paragraph.

(3) The Council shall, except for good cause which shall be communicated to the parties, give its approval to such transaction, and shall record such approval in writing.

(4) If the Council shall for good cause withhold its approval, it shall record in writing its reasons for doing so.

(5) In this paragraph “good cause” shall mean that the transaction is one which is not in the best interest of the natives of the area.

(6) The Council shall on request by the parties supply a copy of the record made under the preceding sub-paragraphs of this paragraph.

4. (1) If the Council shall give its consent to the transaction the parties shall prepare or cause to be prepared an instrument which shall be in writing and shall:—

Preparation of instrument.

- (a) set out the full names and addresses of the parties thereto;
- (b) contain a description or plan of the land sufficient to enable it to be identified to the satisfaction of the Council;
- (c) set out the precise nature of the transaction and the terms and conditions applicable thereto as approved by the Council;
- (d) be signed by the parties thereto in the presence of one or more literate witnesses who shall subscribe his or their names thereto;

and shall present such instrument to the Council within sixty days of the date on which such approval was given for endorsement of the approval of the Council thereon.

(2) If the Council is satisfied that the instrument complies with the provisions of the preceding sub-paragraph it shall, upon payment of twenty-one shillings endorse its approval thereon. Such endorsement shall be signed by such person or persons as may be entitled to sign instruments on behalf of the Council.

5. (1) Any transaction concerning land entered into between a native of the area and a person not a native of the area or between two persons not natives of the area except in accordance with the provisions of paragraphs 3 and 4 hereof shall be null and void.

Transaction concerning land not entered into in accordance with bye-laws to be null and void.

(2) Any native of the area who shall enter into a transaction concerning land in contravention of these bye-laws shall be guilty of an offence and liable, on conviction thereof, to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month or to both such fine and imprisonment.

(3) Any person not a native of the area who shall acquire an interest in land belonging to a native of the area shall be guilty of an offence unless such interest is evidenced by an instrument registered in accordance with the provisions of these bye-laws, and shall be liable on conviction thereof to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month or to both such fine and imprisonment.

6. Where it shall appear to the Council that any person not a native of the area is in possession of land belonging to a native of the area in contravention of these bye-laws, the Council may cause a summons to be issued to such person requiring him to appear before a court and to prove that his possession is not a contravention of these bye-laws. If on the hearing of such summons the court finds that such person is in possession of the land in contravention of these bye-laws the court shall order such person to give up possession of the land, and shall issue such process as may be necessary for enforcing such order.

Unlawful possession: procedure for ejectment.

7. (1) Every person not a native of the area executing an Instrument relating to a transaction concerning land shall, within thirty days from the date on which the approval of the Council was endorsed thereon, register the instrument with the Council.

Transaction concerning land to be registered.

(2) Registration shall be effected, subject to paragraph 10 of these bye-laws, by leaving the instrument together with a true copy thereof and a fee of thirty shillings with the registration clerk at the office of the Council.

8. Every instrument relating to a transaction concerning land, entered into between a native of the area and a person not a native of the area or between two persons not natives of the area executed after the

Instrument void for want of registration.

coming into force of these bye-laws, shall be void unless the same shall be registered within thirty days from the date on which the approval of the Council was endorsed thereon:

Provided that the Council may extend such period if it is satisfied that registration has been delayed without fault or neglect on the part of the party acquiring the right or interest in the land in question, by endorsement upon the instrument.

Registration.

9. Upon receipt of the instrument and the copy thereof and the registration fee the registration clerk shall endorse upon the instrument an endorsement in the form of Form A of the Schedule to these bye-laws, and shall examine the instrument and compare it with the copy and if he shall find that the instrument complies with the provisions of these bye-laws, and that the copy is a true copy thereof, he shall register the instrument by endorsing upon it and upon the copy thereof, an endorsement in the form of Form B of the Schedule to the bye-laws and shall paste or bind the said copy in a register book kept for the purpose.

When instrument cannot be registered.

10. (1) Where upon an examination of the instrument and the copy thereof lodged for registration the registration clerk shall find that the instrument is one which is declared by these bye-laws to be void or which does not comply with the provisions of these bye-laws or that the copy is not a true copy; he shall give written notice to the person lodging the same for registration, specifying the particular requirement or requirements which have not been complied with.

(2) Until the requirements specified in the notice have been complied with registration shall not be effected.

Proof of registration.

11. An endorsement on an instrument that it has been registered, signed by the registration clerk, and in addition by each person or persons as may be entitled to sign documents on behalf of the Council, under provisions of the standing rules of the Council, shall be proof of registration under the provisions of these bye-laws until the contrary is shown.

Unregistered instrument not admissible in evidence.

12. No instrument relating to a transaction concerning land entered into between a native of the area and a person not a native of the area or between two persons not natives of the area after the coming into force of these bye-laws shall be admissible as evidence in any court unless it has been registered in accordance with the provisions of paragraph 7 of these bye-laws.

(E.R. No. 26 of 1955)

THE IZI DISTRICT COUNCIL (ALIENATION OF LAND)
BYE-LAWS, 1959

(Date of Commencement: 1st January, 1960)

In exercise of the powers conferred upon Local Government Councils by section 86 of the Eastern Region Local Government Law, 1955 the following bye-laws have been made by the Izi District Council.

Citation and commencement.

1. (1) These bye-laws may be cited as the Izi District Council (Alienation of Land) Bye-laws, 1959 and shall come into operation on a date to be fixed by the Minister of Local Government.

(2) These bye-laws shall not apply to any transaction concerning land completed before the coming into operation of these bye-laws; nor to any transaction concerning land to which the Native Lands Acquisition Ordinance or Acquisition of Lands by Aliens Law, 1958 applies.

Definitions.

2. In these bye-laws:—

“area” except where the context otherwise requires, means the area of authority of the Izi District Council;

“Council” means the Izi District Council;

“native of area” means any person who is eligible by local customary law to inherit land or the use of land within the area;

“registration clerk” means the person appointed by the Council to be registration clerk for the purpose of these bye-laws;

“transaction concerning land” means any sale, lease, gift *inter vivos*, mortgage, pledge or other transaction whereby an interest in land or any trees thereon situate within the area passes.

Prerequisites of transaction concerning land.

3. (1) Before any transaction concerning land is entered into between a native of the area and a person not a native of the area or between two persons not natives of the area the parties thereto shall:—

(a) appear in person before the Council and announce in public their intention of entering into such a transaction;

(b) state the precise nature of the transaction and the terms and conditions applicable thereto;

(c) give description of the land sufficient to enable it to be identified to the satisfaction of the Council.

(2) The Council shall record in writing in a book kept for the purpose the particulars given by the parties under the preceding sub-paragraph.

(3) The Council shall, except for good cause which shall be communicated to the parties, give its approval to such transaction, and shall record such approval in writing.

(4) If the Council shall for good cause withhold its approval, it shall record in writing its reasons for doing so.

(5) In this paragraph “good cause” shall mean that the transaction is one which is not in the best interest of the natives of the area.

(6) The Council shall on request by the parties supply a copy of the record made under the preceding sub-paragraphs of this paragraph.

4. (1) If the Council shall give its consent to the transaction the parties shall prepare or cause to be prepared an instrument which shall be in writing and shall:—

Preparation of instrument.

- (a) set out the full names and address of the parties thereto;
- (b) contain a description or plan of the land sufficient to enable it to be identified to the satisfaction of the Council;
- (c) set out the precise nature of the transaction and the terms and conditions applicable thereto as approved by the Council;
- (d) be signed by the parties thereto in the presence of one or more literate witnesses who shall subscribe his or their names thereto;

and shall present such instrument to the Council within sixty days of the date on which such approval was given for endorsement of the approval of the Council thereon.

(2) If the Council is satisfied that the instrument complies with the provisions of the preceding sub-paragraphs it shall, upon payment of twenty-one shillings endorse its approval thereon. Such endorsement shall be signed by such person or persons as may be entitled to sign instruments on behalf of the Council.

5. (1) Any transaction concerning land entered into between a native of the area and a person not a native of the area or between two persons not natives of the area except in accordance with the provisions of paragraphs 3 and 4 hereof shall be null and void.

Transaction concerning land not entered into in accordance with bye-laws to be null and void.

(2) Any native of the area who shall enter into a transaction concerning land in contravention of these bye-laws shall be guilty of an offence and liable, on conviction thereof, to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month or to both such fine and imprisonment.

(3) Any person not a native of the area who shall acquire an interest in land belonging to a native of the area shall be guilty of an offence unless such interest is evidenced by an instrument registered in accordance with the provisions of these bye-laws, and shall be liable on conviction thereof to a fine not exceeding five pounds or in default of payment to imprisonment not exceeding one month or to both such fine and imprisonment.

6. Where it shall appear to the Council that any person not a native of the area is in possession of land belonging to a native of the area in contravention of these bye-laws, the Council may cause a summons to be issued to such person, requiring him to appear before a court and to prove that his possession is not a contravention of these bye-laws. If on the hearing of such summons the court finds that such person is in possession of the land in contravention of these bye-laws the court shall order such person to give up possession of the land, and shall issue such process as may be necessary for enforcing such order.

Unlawful possession: procedure for ejectment.

7. (1) Every person not a native of the area executing an instrument relating to a transaction concerning land shall, within thirty days from the date on which the approval of the Council was endorsed thereon, register the instrument with the Council.

Transaction concerning land to be registered.

(2) Registration shall be effected, subject to paragraph 10 of these bye-laws, by leaving the instrument together with a true copy thereof and a fee of thirty shillings with the registration clerk at the office of the Council.

B 1480

Instrument void for want of registration.

8. Every Instrument relating to a transaction concerning land, entered into between a native of the area and a person not a native of the area or between two persons not natives of the area executed after the coming into force of these bye-laws, shall be void unless the same shall be registered within thirty days from the date on which the approval of the Council was endorsed thereon:

Provided that the Council may extend such period if it is satisfied that registration has been delayed without fault or neglect on the part of the party acquiring the right or interest in the land in question, by endorsement upon the instrument.

Registration.

9. The Nigeria (Constitution) Orders in Council, 1954 to 1959

SELECTION OF SECOND-CLASS CHIEFS REGULATIONS

(Date of Commencement: 24th December, 1959)

In exercise of the powers conferred upon the Governor by section 31B of the Nigeria (Constitution) Orders in Council, 1954 to 1959, the Governor has, after consultation with the Executive Council, made the following regulations:—

1. These regulations may be cited as the Selection of Second-class Chiefs Regulations, 1959, and shall come into operation on the 24th day of December, 1959.

Citation and commencement.

2. In these regulations:—

Definitions.

“Administrative Officer” means the Administrative Officer in charge of a division and includes an Assistant District Officer or a Senior Government officer acting on his behalf;

“clan”, for the purposes of these regulations, means a clan as shown in column 2 of the First Schedule to these regulations;

“House” means the Eastern House of Chiefs;

“Minister” means the Minister for the time being charged with responsibility for appointment and recognition of Chiefs;

“Second-class Chief” means the head of a clan, other than a First-class Chief, shown in column 2 of the First Schedule.

3. To qualify for selection as a Second-class Chief, the person to be selected must be a member of the clan for which he is selected as Second-class Chief:

Qualifications for selection of Second-class Chiefs.

Provided that the Second-class Chief to represent Port Harcourt Division in the House shall be appointed by the Governor on the recommendation of the Premier.

4. For the purpose of selecting Second-class Chiefs, the following rules shall apply:—

Method of selection of Second-class Chiefs.

(a) on a date, place and time to be notified by the Administrative Officer in writing, the clan shall meet to identify or select the Second-class Chief:

Provided that where there are Village Heads or other generally accepted Chiefs, the Administrative Officer may, at his discretion, invite them to identify or select the Second-class Chief;

(b) if there is no dispute, the Administrative Officer shall declare the Second-class Chief as selected;

(c) in the case of a dispute or where it appears to the Administrative Officer that the person selected is not so entitled, he shall enquire into the case and make recommendations to the Minister who may refer the matter to the Governor in Council;

- (d) the date, place and time of selection shall also be announced by a bell or other means by which notice of important meetings is announced in the clan;
- (e) provided the notice of the date, place and time of the selection is announced as in paragraphs (a) and (d) of this regulation no quorum is necessary.

Selection of Second-class Chiefs for the House of Chiefs.

5. At a meeting to be known as the Divisional Meeting of Chiefs, all First and Second-class Chiefs who are heads of clans within a Division shall meet on a date, place and time to be notified in writing by the Administrative Officer to select from among the Second-class Chiefs such number, as is specified in the Second Schedule to these regulations, of Second-class Chiefs, who are to represent the Division in the House.

Method of selection of Second-class Chiefs for the Eastern House of Chiefs.

6. For the purpose of selecting a Second-class Chief to the House the following provisions relating to notice, date, time and place of meeting, quorum, nomination, secret ballot, announcement of result of voting and appeal will apply:—

- (a) the Administrative Officer shall summon by a notice in writing under his hand a meeting of all First and Second-class Chiefs who are heads of clans within a Division for the purpose of selecting their representatives in the House;
- (b) the said notice shall state the date, time and place of the said meeting and shall be served on each First and Second-class Chief who is a head of a clan at least three days before the date of the said meeting;
- (c) no selection of a Second-class Chief shall take place unless at least half of the number of the First and Second-class Chiefs entitled to be present are present at the said meeting;
- (d) if no quorum is formed the Administrative Officer shall postpone the selection and the provisions of paragraphs (a) and (b) of this regulation shall apply;
- (e) if a quorum is formed, the Administrative Officer shall proceed to call for nominations which must be proposed by one Second-class Chief and seconded by another Second-class Chief present at the meeting;
- (f) if the number of nominations does not exceed the number of seats, the Administrative Officer shall declare the Second-class Chief or Chiefs selected;
- (g) if the number of nominations exceeds the number of seats, the Administrative Officer shall proceed to conduct at the same time a secret ballot by the First and Second-class Chiefs present at the meeting, and shall there and then count the votes and announce the person or persons elected;
- (h) any Second-class Chief dissatisfied with the decision of the Administrative Officer as to the validity of selection or election may within seven days from the date of the selection or election as the case may be appeal in writing stating the grounds of his objections to the Minister whose decision shall be final.

General.

7. The selection or election of a person as a Member of the Eastern House under these regulations shall not be invalid by reason only that a person entitled to be present is absent from the meeting at which the selection or election is held.

8. No Second-class Chief shall be capable of being selected or elected to the House if he—

Disqualification.

- (a) is under any acknowledgment of allegiance, obedience or adherence to any foreign Power or State; or
- (b) is an undischarged bankrupt, having been adjudged or otherwise declared bankrupt under any law in force in any part of Her Majesty's dominions; or
- (c) is under twenty-one years of age; or
- (d) is of unsound mind; or
- (e) holds any office of emolument under the Crown; or
- (f) has in the preceding five years been sentenced by a court in any part of Her Majesty's dominions to death or to imprisonment by whatever name called for a term exceeding six months and has not received a free pardon.

9. No Second-class Chief shall take his seat in the House until he has been recognised by the Governor in Council.

Recognition.

10. The seat of a Second-class Chief in the House shall become vacant:—

Vacancies.

- (a) upon dissolution of the House; or
- (b) if he becomes a First-class Chief for the purposes of Section 31A of the Nigeria (Constitution) Orders in Council, 1954-1959; or
- (c) if he becomes a Member of the House of Representatives; or
- (d) if Government withdraws recognition from him; or
- (e) if he resigns his seat in the House by writing under his hand addressed to the President; or
- (f) upon his death.

11. When the seat of a Second-class Chief falls vacant in the House, it shall remain vacant until the vacancy is filled by selection or election as the case may be in accordance with these regulations.

12. Eastern Regional Legal Notice No. 186 of 1959 is hereby revoked.

Revocation.
